# I. INTRODUCTION

## A. DESCRIPTION OF PROCEEDINGS

The City Council of the City of Moreno Valley, acting in its capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District (“CSD Board”), formed Community Facilities District No. 1 (“CFD No. 1” or “District”) to finance public services related to new parks constructed after the formation of the District and authorized the levy of a special tax. Financial responsibility for new parks is placed onto those properties that created the need for additional park facilities. The District was established under the authority of the Mello-Roos Community Facilities Act of 1982. New residential developments that benefit from new or future parks are conditioned to participate in the District. The following table provides a summary of the actions, which were taken in the formation of the District.

**Table 1: Summary of Actions**

Resolution Authorizing Future Annexation of Territory	CSD 2003-26	July 8, 2003

## B. THE DISTRICT

The CSD Board formed CFD No. 1 in 2003 to finance public services for the new parks.

### i. BOUNDARIES OF THE DISTRICT

The original District included five tracts identified by parcel numbers in the June 2003 Community Facilities District Report, Appendix “C,” prepared by Albert A. Webb Associates. Following the Public Hearing on July 8, 2003, the CSD Board amended the May 27, 2003 boundary map to delete two of the five identified tracts, Tentative Tracts 30708 and 29857. Tentative Tracts 31050, 30998, and 30924 formed the original District, which represented 154 dwelling units. In December 2004, Tentative Tract 30708 annexed into the District as part of Annexation No. 2004-5. Tentative Tract 29857 may be annexed into the District in the future.

### ii. BOUNDARIES OF THE FUTURE ANNEXATION AREA

The boundaries of the future annexation area encompass the City boundary at time of District formation.

### iii. FUTURE ANNEXATIONS

As a requirement of development, single family and multifamily projects are conditioned to provide a funding source to support the operations and ongoing

maintenance of the facilities within the District. The property owner may select one of two options, either to annex into the District or to provide an endowment to cover the future obligation for the project. The endowment would be placed into a separate trust account; the financial obligation of the parcel(s) contributing will be withdrawn and used to offset the annual special tax requirement of that parcel(s) for the District. Appendix A provides a summary of the annexations that have been conducted since the District was formed. As of the date of this report, the endowment option has not been selected as a way to satisfy the condition of development for any project.

#### **iv. DESCRIPTION OF SERVICES**

The types of public services related to new parks to be financed from the levy of special taxes in the District, including the Future Annexation Area, are described as follows:

The maintenance and/or repair of Parks and Park Improvements, including, but not limited to, the planting, replanting, mowing, trimming, irrigation and fertilization of grass, trees, shrubs, and other ornamental plants and vegetation; the operation, maintenance, repair, and replacement of irrigation systems associated with Parks and Park Improvements; and all efforts by Park Rangers that are devoted to the maintenance of the Parks, Park Improvements, and public safety. "Parks and Park Improvements" are defined as park improvements, which are to be developed, constructed, installed, and maintained within the area of CFD No. 1 and which will be owned and operated by the CSD for the benefit of the residents of the District.

## II. CFD NO. 1 FUNDED PARK PROJECTS

The following summary provides a list of the various facility types, which shall be maintained in whole or in part through the levy and collection of special taxes from CFD No. 1.

### **III. COMPUTATION OF THE SPECIAL TAX REQUIREMENT**

---

The City shall levy and collect the special tax according to the rate and method of apportionment of special tax ("RMA"), which has been previously approved by the legislative body of CFD No. 1 and the eligible property owners within CFD No. 1. The special tax requirement includes the costs related to maintenance and operation services, administrative expenses, and replenishment of the contingency reserve fund for each year. Other available revenues are taken into account when calculating the special tax and may be used to offset the annual special tax requirement.

#### **A. MAINTENANCE AND OPERATION SERVICES**

The District shall provide for the ongoing maintenance of park improvements and all efforts by the Park Rangers associated with new park projects as defined in the formation documents. Maintenance and Operation services are further described in Section I.B.iv: Description of Services.

#### **B. ADMINISTRATIVE EXPENSES**

Administrative expenses are those directly related to the administration of CFD No. 1. In addition, the Administrative expense includes but is not limited to costs related to the City's general administrative services, overhead for personnel support, space rent and maintenance, insurance, CSD Board support, City Manager support, purchasing, and communications. The administrative expenses estimate for CFD No. 1 is included in Table 3 of this report.

#### **C. RESERVE FUND**

Per the RMA, a contingency reserve is to be maintained for the District in an amount equal to ten percent (10%) of the estimated costs of providing the Services and estimated Administrative Expenses for any fiscal year ("FY") to provide for the payment of unexpected costs which may be incurred in the FY.

\* The budget is based on staff's recommendation, and is subject to CSD Board approval.

## IV. SPECIAL TAX CALCULATION

A levy of special tax shall be collected annually at the same time and in the same manner as the ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as applicable for ad valorem taxes; however, the CSD Board may utilize a direct billing procedure for any special taxes that cannot be collected on the Riverside County property tax bill or may, by resolution, elect to collect the special taxes at a different time or in a different manner if necessary to meet its financial obligations.

### A. SPECIAL TAX RATE

The special tax rate per dwelling unit (“DU”) that can be levied by the CSD Board in any FY is based upon the application of the Land Use Categories listed in Table 4 and the Special Tax Rate listed in Table 5.

**Table 4: Land Use Categories**

Land Use Category	Description	Dwelling Units
1	Single-family Residential and Multifamily Residential	One (1) / Residence or Residential Unit
2	All Other Property	Two (2) / Acre

2014/15	2.00%	155.33	122.40
2015/16	2.00%	158.44	124.84

\*The amount applied cannot exceed the maximum special tax and per County requirements can only be an even number.

The maximum special tax rate shall be increased by the percentage increase in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics, since the beginning of the preceding FY, or by two percent (2%), whichever is greater, beginning on July 1, 2004, for FY 2004/05 and on each subsequent July 1 for the FY then commencing.

In accordance with the RMA, property classified as commercial or industrial and publicly owned or dedicated property shall be identified as exempt with regards to the special tax. Property exemption also applies to sliver parcels, common lots, open space, or any other property that cannot be developed.

## B. METHOD OF APPORTIONMENT

For each FY, the CSD Board shall determine the amount of the special tax to be levied and collected to pay for (a) the estimated costs of providing the identified services, (b) the amount estimated for administrative expenses, and (c) the amount required to fund or replenish the contingency reserve (collectively defined as the "Special Tax Requirement"). The special tax shall be levied on all non-exempt parcels in the District, in an amount per DU, based on the Land Use Categories, up to the Special Tax Requirement. The amount of special tax to be levied on any parcel shall not exceed the amount determined by multiplying the DUs for the parcel by the maximum special tax rate for the FY.

## V. SPECIAL TAX ALLOCATION (TAX ROLL)

The special tax shall be levied on non-exempt property within the District. A listing of individual parcels within the District is available through the Office of the Secretary of the CSD Board (City Clerk).

Table 7 below, identifies each tract number or development name that is part of the District, the number of DUs in each tract or development, and the total levy for that tract or development based on the FY 2015/16 applied special tax. For FY 2015/16, there are 8,257 taxable DUs included in the District.
