*In the opinion of Orrick, Herrington & Sutcliffe LLP, Special Counsel to the Local Agency, based upon an analysis of existing laws, regulations, rulings, and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, the interest on the Installment Sale Payments paid by the Local Agency under the 2013 Installment Sale Agreement and received by the owners of the Certificates is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. In the further opinion of Special Counsel, such interest is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Special Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Special Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of the interest on, the Installment Sale Payments. See "TAX MATTERS."*

THIS COVER PAGE CONTAINS CERTAIN INFORMATION FOR QUICK REFERENCE ONLY. IT IS NOT A SUMMARY OF THE CERTIFICATES. INVESTORS MUST READ THE ENTIRE OFFICIAL STATEMENT TO OBTAIN INFORMATION ESSENTIAL TO THE MAKING OF AN INFORMED INVESTMENT DECISION.

The California Communities Local Measure A Sales Tax Revenue (Installment Sale) Certificates of Participation, Series 2013A (T.R.I.P. – Total Road Improvement Program) (the "Certificates"), are being executed and delivered in the aggregate principal amount of \$20,000,000 by Wells Fargo Bank, National Association, as trustee (the "Trustee"), pursuant to the provisions of a Trust Agreement, dated as of August 1, 2013 (the "Trust Agreement"), by and among the California Statewide Communities Development Authority (the "Authority"), the Trustee, and the City of Moreno Valley (the "Local Agency"). Capitalized terms used on this cover page and not otherwise defined shall have the meanings ascribed to them elsewhere in this Official Statement. See in particular "APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – Definitions."

The proceeds from the sale of the Certificates will be used to (i) finance the design, acquisition, and construction of certain local roadway improvements and street resurfacing projects within the jurisdiction of the Local Agency (the "Project"), (ii) obtain an insurance policy that constitutes a Qualified Reserve Instrument (as defined herein) in lieu of the required deposit to a reserve subaccount within the reserve fund for the Certificates, and (iii) pay the costs incurred in connection with the execution, sale, and delivery of the Certificates. The Project will be sold by the Authority to the Local Agency pursuant to a 2013 Installment Sale Agreement, dated as of August 1, 2013 (the "2013 Installment Sale Agreement"), by and between the Authority and the Local Agency. See "ESTIMATED SOURCES AND USES OF CERTIFICATE PROCEEDS," "THE LOCAL AGENCY AND THE PROJECT," and "SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Reserve Fund."

The Local Agency is required under the 2013 Installment Sale Agreement to make installment sale payments (collectively, the "Installment Sale Payments") to the Authority, which Installment Sale Payments are payable from a first lien on all Measure A Receipts (as defined herein), generally consisting of certain amounts received by the Local Agency from a 0.5% retail transactions and use tax that is collected in the County of Riverside, California, for a thirty-year period ending on June 30, 2039, to the extent the Project constitutes a Measure A Project (as defined herein), for deposit in the Pledged Tax Fund in accordance with the 2013 Installment Sale Agreement. Installment Sale Payments are scheduled in an amount sufficient to pay, when due, the annual principal and interest with respect to the Certificates. See "SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES," "MEASURE A REVENUES; MEASURE A RECEIPTS," and "RISK FACTORS." The Measure A Receipts are the sole source of payment of the Installment Sale Payments. Neither the general fund of the Local Agency nor any other moneys of the Local Agency are available to pay or secure the Installment Sale Payments or the Certificates. **The obligation of the Local Agency to pay its Installment Sale Payments is not subject to abatement.**

The Certificates will be executed and delivered in fully registered form without coupons and, when delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Certificates. Individual purchases of Certificates may be made in book-entry form only, in the principal amount of \$5,000 or integral multiples thereof for each maturity. Purchasers will not receive certificates representing their interest in the Certificates purchased. See "THE CERTIFICATES – Book-Entry Only System."

Payments of principal and interest with respect to the Certificates will be made by the Trustee to DTC, which will in turn remit such principal and interest to its participants for subsequent dispersal to beneficial owners of the Certificates as described herein. Interest with respect to the Certificates is payable semiannually each June 1 and December 1, commencing December 1, 2013, until the maturity or the earlier prepayment thereof. Principal with respect to the Certificates will be paid on each June 1, commencing June 1, 2017, upon surrender of such Certificate at the principal corporate office of the Trustee upon maturity or the earlier prepayment thereof.

**The Certificates are subject to optional, mandatory, and mandatory sinking fund prepayment prior to their stated principal payment dates as described herein.**

The scheduled payment of principal and interest with respect to the Certificates when due will be guaranteed under an insurance policy to be issued concurrently with the delivery of the Certificates by Assured Guaranty Municipal Corp. See "CERTIFICATE INSURANCE POLICY" and "APPENDIX E – SPECIMEN MUNICIPAL BOND INSURANCE POLICY."

THE OBLIGATION OF THE LOCAL AGENCY TO MAKE INSTALLMENT SALE PAYMENTS UNDER THE 2013 INSTALLMENT SALE AGREEMENT IS A SPECIAL OBLIGATION OF THE LOCAL AGENCY PAYABLE SOLELY FROM MEASURE A RECEIPTS AND DOES NOT CONSTITUTE A DEBT OF THE LOCAL AGENCY, THE AUTHORITY, THE STATE OF CALIFORNIA (THE "STATE"), OR ANY POLITICAL SUBDIVISION OF THE STATE WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION, AND DOES NOT CONSTITUTE AN OBLIGATION FOR WHICH THE LOCAL AGENCY, THE STATE, OR ANY POLITICAL SUBDIVISION OF THE STATE IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE LOCAL AGENCY, THE STATE, OR ANY POLITICAL SUBDIVISION OF THE STATE HAS LEVIED OR PLEDGED ANY FORM OF TAXATION. THE AUTHORITY HAS NO TAXING POWER.

**[See Maturity Schedule on Inside Cover]**

*The Certificates are offered when, as, and if executed and delivered to and received by the Underwriter, subject to the approval of legality by Orrick, Herrington & Sutcliffe LLP, Los Angeles, California, Special Counsel to the Local Agency. Certain legal matters will be passed upon for the Authority by Orrick, Herrington & Sutcliffe LLP, Los Angeles, California, for the City of Moreno Valley by Suzanne Bryant, City Attorney, and for the Underwriter by Goodwin Procter LLP, Los Angeles, California, as Underwriter's Counsel. ### INTRODUCTION

This Official Statement, which includes the cover page, inside cover page, Table of Contents, and Appendices (the “Official Statement”), provides certain information concerning the execution and delivery of the California Communities Local Measure A Sales Tax Revenue (Installment Sale) Certificates of Participation, Series 2013A (T.R.I.P. – Total Road Improvement Program) (the “Certificates”), in an aggregate principal amount of \$20,000,000. Descriptions and summaries of various documents hereinafter set forth do not purport to be comprehensive or definitive, and reference is made to each such document for complete details of all terms and conditions therein. All statements in this Official Statement are qualified in their entirety by reference to the applicable documents.

This Introduction is subject in all respects to the more complete information contained elsewhere in this Official Statement, and the offering of the Certificates to potential investors is made only by means of the entire Official Statement. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in “APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – Definitions.”

#### **Description of the Certificates**

The Certificates will be dated the date of their initial delivery and will mature on the dates and in the principal amounts set forth on the inside cover page hereof. The Certificates will be initially registered in the name of Cede & Co., as nominee for The Depository Trust Company, which will act as securities depository for the Certificates.

The Certificates evidence proportionate and undivided interests of the registered owners thereof (the “Owners”) in installment sale payments (the “Installment Sale Payments”) to be made by the City of Moreno Valley (the “City of Moreno Valley” or the “Local Agency”) to the California Statewide Communities Development Authority (the “Authority”), as the purchase price for certain local roadway improvements and street resurfacing projects throughout the geographic boundaries of the Local Agency (the “Project”) pursuant to a 2013 Installment Sale Agreement, dated as of August 1, 2013 (the “2013 Installment Sale Agreement”), by and between the Authority and the Local Agency. See “THE CERTIFICATES,” “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES,” and “THE LOCAL AGENCY AND THE PROJECT.”

#### **Authorization**

The Certificates are being executed and delivered by Wells Fargo Bank, National Association, as trustee (the “Trustee”), pursuant to (i) a Trust Agreement, dated as of August 1, 2013 (the “Trust Agreement”), by and among the Authority, the Trustee, and the Local Agency, and (ii) a resolution

adopted by the Authority on April 5, 2012, as supplemented by a resolution adopted by the Authority on July 18, 2013, and a resolution adopted by the City of Moreno Valley on January 10, 2012 (collectively, the “Resolutions”). See “THE CERTIFICATES – Authorization” and Registration of Certificates” and “APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.”

### **Judicial Validation**

The City of Moreno Valley filed a complaint in the Superior Court of the State of California for the County of Riverside (the “Riverside County Superior Court”) pursuant to California Government Code Section 53510 *et seq.* and California Code of Civil Procedure Section 860 *et seq.* (collectively, the “Validation Law”) seeking to validate certain issues raised by the proposed execution and delivery of the Certificates. The City of Moreno Valley filed its complaint on January 20, 2012. There was no answering party in the action and, on March 21, 2012, the City of Moreno Valley obtained a judgment in its favor that enjoins the institution of any action or proceeding raising any issue as to which such judgment is binding and conclusive. An appeal of such judgment could only be filed with the Riverside County Superior Court within 30 days after the entry of such judgment (i.e., by no later than April 21, 2012) and, since there was no answering party in the action, only issues related to the jurisdiction of the Riverside County Superior Court to enter a judgment in the action may be raised during such period. A resident appealed the judgment of the Superior Court and, on May 14, 2013, the judgment was affirmed by the California Court of Appeal. Judgment on appeal in favor of the City and affirmation of the judgment of the Riverside County Superior Court was granted on July 16, 2013, and the judgment of the Riverside County Superior Court is final.

### **Use of Certificate Proceeds**

The proceeds from the sale of the Certificates will be used to (i) finance the design, acquisition, and construction of the Project, (ii) obtain an insurance policy that constitutes a Qualified Reserve Instrument (as defined herein) in lieu of the required deposit to a reserve subaccount (the “Reserve Subaccount”) within the reserve fund for the Certificates (the “Reserve Fund”), and (iii) pay the costs incurred in connection with the execution, sale, and delivery of the Certificates, including, but not limited to, the cost of the Certificate Insurance Policy (as defined herein). See “ESTIMATED SOURCES AND USES OF CERTIFICATE PROCEEDS,” “THE LOCAL AGENCY AND THE PROJECT,” and “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Reserve Fund.”

### **Payment of Principal and Interest**

Interest with respect to the Certificates is payable semiannually on June 1 and December 1, commencing December 1, 2013 (each, an “Interest Payment Date”), and is payable by check mailed by first class mail on the date such interest is due to the Owner at his address as it appears on the registration books maintained by the Trustee; provided, however, that an Owner of \$1,000,000 or more in aggregate principal amount evidenced by the Certificates may request in writing that the Trustee pay the interest evidenced by such Certificates by wire transfer and the Trustee shall comply with such request for all Interest Payment Dates following the 15th day after receipt of such request until such request is rescinded. Principal with respect to the Certificates will be payable on June 1 of each year, commencing June 1, 2017 (each, a “Certificate Payment Date”), upon surrender of such Certificate at the principal corporate trust office of the Trustee in Los Angeles, California, upon the maturity or earlier prepayment thereof. See “THE CERTIFICATES.”

## **Prepayment of Certificates**

The Certificates are subject to optional, mandatory, and mandatory sinking fund prepayment under certain circumstances as described herein. See “THE CERTIFICATES – Prepayment of Certificates.”

## **Security and Sources of Payment for the Certificates**

***Installment Sale Payments.*** Pursuant to the 2013 Installment Sale Agreement, the Local Agency is required to pay to the Trustee, from a first lien on the Measure A Receipts (as defined below), the Installment Sale Payments, which Installment Sale Payments are designed to be sufficient, in both time and amount, to pay, when due, the principal and interest evidenced and represented by the Certificates.

The term “Measure A Receipts” is defined in the 2013 Installment Sale Agreement to mean Measure A Revenues (as defined below) allocated by the Riverside County Transportation Commission (the “Commission”) to the Local Agency pursuant to the Measure A Ordinance (as defined below), to the extent the Project constitutes a Measure A Project (as defined below), for deposit in the Pledged Tax Fund in accordance with the 2013 Installment Sale Agreement. The term “Measure A Revenues” is defined in the 2013 Installment Sale Agreement to mean revenues of the Commission derived from a retail transactions and use tax (the “Measure A Sales Tax”) imposed in the County of Riverside, California (the “County”), pursuant to the Riverside County Transportation Sales Tax Act, Division 25 (Section 240000 et seq.) of the Public Utilities Code of the State of California, as now in effect and as it may from time to time hereafter be amended or supplemented (the “Measure A Sales Tax Act”), and the Measure A Ordinance. The term “Measure A Ordinance” is defined in the 2013 Installment Sale Agreement to mean Ordinance No. 02-001, the Transportation Expenditure Plan and Retail Transaction and Use Tax Ordinance, adopted by the Commission on May 8, 2002, and approved by at least two-thirds of electors voting on such proposition in the November 5, 2002 election, as supplemented and amended. The term “Measure A Project” is defined in the 2013 Installment Sale Agreement to mean a capital project for which Measure A Receipts may be expended. The entire Project constitutes a Measure A Project. See “THE LOCAL AGENCY AND THE PROJECT – The Project.”

A portion of the Measure A Revenues are allocated by the Commission to the Local Agency for the Local Agency’s local streets and roads program on a basis that is subordinate to the Commission’s payment of its Senior Lien Measure A Obligations, as described herein. See “MEASURE A REVENUES; MEASURE A RECEIPTS – Senior Lien Measure A Obligations” and “ – Collection and Allocation of Measure A Revenues” and “RISK FACTORS – Senior Lien Measure A Obligations.” In addition, only the portion of Measure A Revenues allocated by the Commission to the Local Agency constituting Measure A Receipts may be applied to pay the Installment Sale Payments. See “RISK FACTORS – Limitations on Use of Measure A Revenues.”

Pursuant to the Trust Agreement, the Authority will assign to the Trustee all of the Authority’s rights and remedies under the 2013 Installment Sale Agreement, including, but not limited to, the Authority’s security interest in and lien upon the Measure A Receipts. See “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES,” “MEASURE A REVENUES; MEASURE A RECEIPTS,” and “APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.”

***Reserve Fund and Reserve Subaccount.*** Pursuant to the Trust Agreement, the Trustee is required to maintain amounts on deposit in the Reserve Subaccount of the Reserve Fund for the Local Agency, which amounts are held by the Trustee and pledged to the payment of principal and interest with respect to the Certificates, in amounts equal to the Local Agency’s Reserve Fund Requirement (as defined herein) for such Reserve Subaccount. See “SECURITY AND SOURCES OF PAYMENT FOR THE

CERTIFICATES – Reserve Fund” and “– Reserve Policy” and “APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – Trust Agreement.”

***Certificate Insurance Policy.*** Concurrently with the execution and delivery of the Certificates, Assured Guaranty Municipal Corp. (the “Certificate Insurer”) will issue its Municipal Bond Insurance Policy for the Certificates (the “Certificate Insurance Policy”). The Certificate Insurance Policy guarantees the scheduled payment of principal and interest with respect to the Certificates when due as set forth in the form of the Certificate Insurance Policy included as Appendix E to this Official Statement. See “CERTIFICATE INSURANCE POLICY.”

### **Special, Limited Obligation of the Local Agency**

THE OBLIGATION OF THE LOCAL AGENCY TO MAKE INSTALLMENT SALE PAYMENTS UNDER THE 2013 INSTALLMENT SALE AGREEMENT IS A SPECIAL OBLIGATION OF THE LOCAL AGENCY PAYABLE SOLELY FROM MEASURE A RECEIPTS AND DOES NOT CONSTITUTE A DEBT OF THE LOCAL AGENCY, THE AUTHORITY, THE STATE OF CALIFORNIA (THE “STATE”), OR ANY POLITICAL SUBDIVISION OF THE STATE WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION, AND DOES NOT CONSTITUTE AN OBLIGATION FOR WHICH THE LOCAL AGENCY, THE STATE, OR ANY POLITICAL SUBDIVISION OF THE STATE IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE LOCAL AGENCY, THE STATE, OR ANY POLITICAL SUBDIVISION OF THE STATE HAS LEVIED OR PLEDGED ANY FORM OF TAXATION. THE AUTHORITY HAS NO TAXING POWER.

### **Continuing Disclosure**

In connection with the execution and delivery of the Certificates, the Local Agency will covenant in a continuing disclosure agreement (the “Continuing Disclosure Agreement”), executed for the benefit of Owners, to provide certain financial information and operating data and notices of certain events, if material. See “CONTINUING DISCLOSURE” and “APPENDIX D – FORM OF LOCAL AGENCY CONTINUING DISCLOSURE AGREEMENT.”

## THE CERTIFICATES

### Authorization and Registration of Certificates

The Certificates are being executed and delivered by the Trustee pursuant to the Trust Agreement and the Resolutions. The Certificates will be dated the date of their initial delivery and will mature on the dates and in the principal amounts set forth on the inside cover page hereof. The Certificates will be initially registered in the name of Cede & Co., as nominee for The Depository Trust Company, which will act as securities depository for the Certificates. See "THE CERTIFICATES – Book-Entry Only System" and "APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – Trust Agreement."

### Judicial Validation of Certificates

The City of Moreno Valley filed a complaint in the Riverside County Superior Court pursuant to the Validation Law seeking to validate certain issues raised by the proposed execution and delivery of the Certificates. The City of Moreno Valley filed its complaint on January 20, 2012. There was no answering party in the action and, on March 21, 2012, the City of Moreno Valley obtained a judgment in its favor that enjoins the institution of any action or proceeding raising any issue as to which such judgment is binding and conclusive. An appeal of such judgment could only be filed with the Riverside County Superior Court within 30 days after the entry of such judgment (i.e., by no later than April 21, 2012) and, since there was no answering party in the action, only issues related to the jurisdiction of the Riverside County Superior Court to enter a judgment in the action may be raised during such period. A resident appealed the judgment of the Superior Court and, on May 14, 2013, the judgment was affirmed by the California Court of Appeal. Judgment on appeal in favor of the City and affirmation

of the judgment of the Riverside County Superior Court was granted on July 16, 2013, and the judgment of the Riverside County Superior Court is final.

### **Payment of Certificates**

The Certificates will be executed and delivered in fully registered form without coupons and, when delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). DTC will act as securities depository for the Certificates. Individual purchases of Certificates may be made in book-entry form only, in the principal amount of \$5,000 or integral multiples thereof for each maturity. Purchasers will not receive certificates representing their interest in the Certificates purchased. Payments of principal and interest with respect to the Certificates will be made by the Trustee to DTC, which will in turn remit such principal and interest to its participants for subsequent dispersal to beneficial owners of the Certificates as described herein. Interest with respect to the Certificates is payable semiannually on each Interest Payment Date, commencing December 1, 2013, until the maturity or the earlier prepayment thereof. Principal and any prepayment premiums with respect to each Certificate will be paid on each Certificate Payment Date upon surrender of such Certificate at the principal corporate office of the Trustee upon maturity or the earlier prepayment thereof. See “THE CERTIFICATES – Book-Entry Only System.”

***Optional Prepayment of Certificates.*** The Certificates maturing on or before June 1, 2023, are not subject to optional prepayment prior the respective stated maturities. The Certificates maturing on or after June 1, 2024, will be subject to optional prepayment prior to maturity, at the option of the Authority upon direction of the Local Agency, on or after June 1, 2023, in whole or in part (by lot among Certificates with the same maturity in any manner which the Trustee in its sole discretion shall deem appropriate), on any date, at a prepayment price equal to the principal amount to be prepaid, plus accrued interest to the date fixed for prepayment, without premium. ***Mandatory Prepayment of Certificates Upon Acceleration.*** The Certificates are subject to mandatory prepayment prior to maturity, in whole or in part (by lot among Certificates with the same maturity in any manner which the Trustee in its sole discretion shall deem appropriate), on any date, from amounts received upon the acceleration of Installment Sale Payments upon the occurrence of an event of default under the 2013 Installment Sale Agreement, at a prepayment price equal to the principal amount to be prepaid, plus accrued interest to the date fixed for prepayment, without premium.

The Certificates maturing on June 1, 2035, are subject to mandatory prepayment on June 1 of each year commencing June 1, 2031, in part, from mandatory sinking fund payments, on each June 1 specified below, at a prepayment price equal to the principal evidenced thereby, plus accrued interest evidenced thereby to the date fixed for prepayment, without premium. 2034	1,100,000
2035 (Maturity)	1,155,000

The amount of each such prepayment shall be reduced in the event and to the extent that Installment Sale Payments payable on the corresponding Certificate Payment Date are optionally prepaid by the Local Agency pursuant to the 2013 Installment Sale Agreement and applied to the prepayment of Certificates maturing on June 1, 2035.

The Certificates maturing on June 1, 2039, are subject to mandatory prepayment on June 1 of each year commencing June 1, 2036, in part, from mandatory sinking fund payments, on each June 1 specified below, at a prepayment price equal to the principal evidenced thereby, plus accrued interest evidenced thereby to the date fixed for prepayment, without premium. The principal evidenced by such Certificates to be so prepaid and the dates therefor shall be as follows:

## **Purchase of Certificates in Lieu of Prepayment**

In lieu of prepayment of any Certificates, amounts on deposit in the Revenue Fund held under the Trust Agreement, or in any sinking account therein, may also be used and withdrawn by the Trustee at any time, upon the written request of the Authority, for the purchase of such Certificates at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest that is payable from the Interest Fund) as the Authority may in its discretion determine, but not in excess of the principal amount thereof plus accrued interest to the purchase date. The principal amount represented by any Certificates so purchased by the Trustee in any twelve-month period ending 60 days prior to any Certificate Payment Date in any year will be credited towards and shall reduce the principal amount represented by any Certificates required to be prepaid on such Certificate Payment Date in such year. Any purchase of Certificates in lieu of prepayment shall require the prior written approval of the Certificate Insurer if any Certificate so purchased is not cancelled upon purchase.

## **Selection of Certificates for Prepayment**

Whenever provision is made in the Trust Agreement for the prepayment or purchase of less than all of the Certificates or any given portion thereof, the Trustee will, subject to the following sentence, select the Certificates to be prepaid or purchased, from all Certificates subject to prepayment or purchase or such given portion thereof equal to a multiple of \$5,000 or any integral multiple thereof not previously called for prepayment or purchase. Upon notice of any optional prepayment pursuant to the Trust Agreement, or receipt of moneys resulting in a mandatory prepayment pursuant to the Trust Agreement, the Trustee will request the Cash Flow Consultant to prepare a Cash Flow Report identifying the principal amount and maturities of the Certificates to be prepaid; provided that upon the occurrence of an optional prepayment or mandatory prepayment upon acceleration in part, the selection of Certificates to be prepaid shall be subject to the approval of the Certificate Insurer so long as it has not failed to comply with its payment obligations under the Certificate Insurance Policy. The Trustee will promptly notify the Authority in writing of any prepayment or purchase of Certificates and of the Certificates or portions thereof so selected for prepayment or purchase.

## **Notice of Prepayment; Effect of Notice**

So long as DTC is acting as securities depository for the Certificates, notice of redemption, containing the information required by the Trust Agreement, will be mailed by first class mail, postage prepaid, by the Trustee to DTC (not to the Beneficial Owners of any Certificates designated for redemption) not less than thirty (30) nor more than sixty (60) days prior to the prepayment or purchase date, or, if the Certificates are no longer held by the Depository, to the Securities Depositories and the Municipal Securities Rulemaking Board through its Electronic Municipal Marketplace Access (EMMA) System. Each notice of prepayment or purchase shall state the date of such notice, the date of initial execution and delivery of the Certificates, the prepayment or purchase date, the Prepayment Price or Purchase Price, the place or places of prepayment or purchase (including the name and appropriate address or addresses of the Trustee), the CUSIP number (if any) of the Certificates of each Certificate Payment Date or Dates, and, if less than all of the Certificates of any such Certificate Payment Date, the distinctive certificate numbers of the Certificates with such Certificate Payment Date, to be prepaid or purchased and, in the case of Certificates to be prepaid or purchased in part only, the respective portions of the principal amount thereof to be prepaid or purchased. Each such notice shall also state that on said date there will become due and payable on each of said Certificates the Prepayment Price or Purchase Price represented thereby or of said specified portion of the principal amount thereof in the case of a Certificate to be prepaid or purchased in part only, together with interest accrued with respect thereto to the prepayment or purchase date, and that from and after such prepayment or purchase date, interest thereon shall cease to accrue, and shall require that such Certificates be then surrendered at the address or addresses of the Trustee specified in the prepayment or purchase notice. Conditional notice of

prepayment may be given at the direction of the Authority and shall be given if funds sufficient to prepay the Certificates are not then on deposit with the Trustee.

Failure by the Trustee to give notice to the Municipal Securities Rulemaking Board through its Electronic Municipal Marketplace Access (EMMA) System or Securities Depositories, or failure by the Trustee to mail notice of prepayment or purchase to any one or more of the respective Owners of any Certificates designated for prepayment or purchase, shall not affect the sufficiency of the proceedings for prepayment or purchase.

### **Partial Prepayment or Purchase of Certificates**

Upon surrender of any Certificate to be prepaid or purchased in part only, the Trustee will execute and deliver to the registered owner thereof, at the expense of the Authority, a new Certificate or Certificates of authorized denominations, and having the same Certificate Payment Date, equal in aggregate principal amount to the unpaid or unpurchased portion of the Certificate surrendered.

### **Effect of Prepayment**

Notice of prepayment having been duly given as described above, and moneys for payment of the principal and prepayment premium, if any, represented by the Certificates (or portions thereof) so called for prepayment (the "Prepayment Price"), together with interest accrued to the prepayment date with respect to such Certificates (or portions thereof), being held by the Trustee, on the prepayment date designated in such notice, the Certificates (or portions thereof) so called for prepayment shall become due and payable at the Prepayment Price specified in such notice and interest accrued with respect thereto to the prepayment date, interest with respect to the Certificates so called for prepayment shall cease to accrue, said Certificates (or portions thereof) will cease to be entitled to any benefit or security under the Trust Agreement, and the Owners of said Certificates shall have no rights in respect thereof except to receive payment of said Prepayment Price and accrued interest.

### **Book-Entry Only System**

*The following information regarding DTC and its book-entry system has been provided by DTC and has not been verified for accuracy or completeness by the Authority or the Local Agency, and neither the Authority nor the Local Agency shall have any liability with respect thereto. Neither the Authority nor the Local Agency shall have any responsibility or liability for any aspects of the records maintained by DTC relating to, or payments made on account of, beneficial ownership, or for maintaining, supervising, or reviewing any records maintained by DTC relating to beneficial ownership, of interests in the Certificates.*

DTC will act as securities depository for the Certificates. The Certificates will be executed and delivered as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered certificate will be issued for each maturity of the Certificates, in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with

DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation, and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission ("SEC"). More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com). *The foregoing internet address is included for reference only and the information on the internet site is not a part of this Official Statement or incorporated by reference into this Official Statement. No representation is made in this Official Statement as to the accuracy or adequacy of the information included in such internet site.*

Purchases of the Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the Certificates on DTC's records. The ownership interest of each actual purchaser of each Certificate ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Certificates are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Certificates except in the event that use of the book-entry system for the Certificates is discontinued.

To facilitate subsequent transfers, all Certificates deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Certificates; DTC's records reflect only the identity of the Direct Participants to whose accounts such Certificates are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Certificates may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Certificates, such as prepayments, tenders, defaults, and proposed amendments to the Certificate documents. For example, Beneficial Owners of Certificates may wish to ascertain that the nominee holding the Certificates for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Prepayment notices shall be sent to DTC. If less than all of the Certificates are being prepaid, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be prepaid.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Certificates unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments with respect the Certificates will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Certificates at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, the Certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Certificates will be printed and delivered to DTC.

THE INFORMATION IN THIS SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE LOCAL AGENCY AND THE AUTHORITY BELIEVE TO BE RELIABLE, BUT NEITHER THE LOCAL AGENCY NOR THE AUTHORITY TAKES ANY RESPONSIBILITY FOR THE ACCURACY THEREOF.

## **SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES**

### **Installment Sale Payments**

The Certificates evidence proportionate and undivided interests of the Owners thereof in the Installment Sale Payments to be made by the Local Agency pursuant to the 2013 Installment Sale Agreement. Pursuant to the 2013 Installment Sale Agreement, the Local Agency is required to pay to the Trustee, from a first lien on the Measure A Receipts, the Installment Sale Payments, which are designed to be sufficient in both time and amount, to pay, when due, the principal and interest evidenced and represented by the Certificates. See “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Pledge of Measure A Receipts” below.

Pursuant to the Trust Agreement, the Authority will assign to the Trustee, for the benefit of the Owners, its rights under the 2013 Installment Sale Agreement, including, but not limited to, the Authority’s security interest in and lien upon the Measure A Receipts. See “APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.”

### **Pledge of Measure A Receipts**

All Measure A Receipts held by the Trustee in any fund or account established under the Trust Agreement (other than amounts on deposit in the Acquisition Fund and the Rebate Fund established under the Trust Agreement) will be irrevocably pledged to the payment of the principal, interest, and prepayment premium, if any, evidenced and represented by the Certificates as provided in the Trust Agreement, and the Measure A Receipts will not be used for any other purpose while any of the Certificates remain outstanding; provided, however, that out of the Measure A Receipts there may be applied such sums for such purposes as are permitted under the Trust Agreement and the 2013 Installment Sale Agreement. Such pledge will constitute a first pledge of and charge and lien upon the Measure A Receipts on deposit in the funds and accounts established under the Trust Agreement (other than amounts on deposit in the Acquisition Fund and the Rebate Fund) for the payment of the interest and principal with respect to the Certificates in accordance with the terms of the Trust Agreement. Pursuant to the Trust Agreement, the Authority will assign to the Trustee all of the Authority’s rights and remedies under the 2013 Installment Sale Agreement, including, but not limited to, the Authority’s security interest in and lien upon the Measure A Receipts.

The term “Measure A Receipts” is defined in the 2013 Installment Sale Agreement to mean Measure A Revenues allocated by the Commission to the Local Agency pursuant to the Measure A Ordinance, to the extent the Project constitutes a Measure A Project, for deposit in the Pledged Tax Fund in accordance with the 2013 Installment Sale Agreement. The Local Agency’s entire Project constitutes a Measure A Project. See “THE LOCAL AGENCY AND THE PROJECT – The Project.”

The term “Measure A Revenues” is defined in the 2013 Installment Sale Agreement to mean revenues of the Commission derived from the Measure A Sales Tax imposed in the County pursuant to the Measure A Sales Tax Act and the Measure A Ordinance. Measure A Revenues are allocated by the Commission to the Local Agency on a basis that is subordinate to the Commission’s payment with respect to its Senior Lien Measure A Obligations, as described herein. See “MEASURE A REVENUES; MEASURE A RECEIPTS – Senior Lien Measure A Obligations” and “ – Collection and Allocation of Measure A Revenues” and “RISK FACTORS – Senior Lien Measure A Obligations.” Also, only the portion of Measure A Revenues allocated by the Commission to the Local Agency constituting Measure A Receipts may be applied to pay the Installment Sale Payments. See “RISK FACTORS – Limitations on Use of Measure A Revenues.”

For more information regarding the portion of Measure A Revenues historically allocated by the Commission to the Local Agency, see “MEASURE A REVENUES; MEASURE A RECEIPTS – Historical 1988 Sales Tax and Measure A Revenues.” See also ‘RISK FACTORS.’”

### **Pledged Tax Fund**

In order to carry out and effectuate the pledge, charge, and lien contained in the Trust Agreement, the Authority will covenant that all Measure A Receipts when and as received shall be received by the Authority, as payment of Installment Sale Payments, in trust for the benefit of the Owners and shall be deposited when and as received by the Authority in the Revenue Fund created and maintained by the Trustee under the Trust Agreement. All Measure A Receipts shall be accounted separately for the Local Agency and held in trust in the Revenue Fund and applied as provided in the 2013 Installment Sale Agreement.

The following funds and accounts will be established within the Revenue Fund: (i) Interest Fund and, within the Interest Fund, an Interest Payment Account for the Local Agency; (ii) Principal Fund and, within the Principal Fund, a Principal Payment Account for the Local Agency; (iii) Reserve Fund and, within the Reserve Fund, a Reserve Subaccount for the Local Agency; (iv) Administration Fund and, within the Administration Fund, an Administration Subaccount for the Local Agency; and (v) Surplus Account.

In order to carry out and effectuate the obligation of the Local Agency contained in the 2013 Installment Sale Agreement to pay the Installment Sale Payments and the Administration Fee (as defined below), the Local Agency will agree and covenant in the 2013 Installment Sale Agreement that it has established a Pledged Tax Fund (the “Pledged Tax Fund”) and within the Pledged Tax Fund, a “Measure A Receipts Account,” which fund and account therein the Local Agency will agree and covenant to maintain so long as any 2013 Installment Sale Payments remain unpaid, and all money on deposit therein shall be applied and used only as provided in the 2013 Installment Sale Agreement. The Local Agency will agree and covenant that all Measure A Receipts received by it shall be deposited when and as received in the Measure A Receipts Account. All of the Revenues (which term is defined in the 2013 Installment Sale Agreement to mean all Measure A Receipts) and all money in the Pledged Tax Fund and in the funds or accounts so specified and provided for the 2013 Installment Sale Agreement will be irrevocably pledged to the punctual payment of the Installment Sale Payments and the Administration Fee, and the Revenues and such other money shall not be used for any other purpose while any of the Installment Sale Payments remain outstanding; subject to the provisions of the 2013 Installment Sale Agreement permitting application thereof for the purposes and on the terms and conditions set forth therein. Such pledge shall constitute a first lien on the Revenues and such other money for the payment of the Installment Sale Payments and the Administration Fee in accordance with the terms of the 2013 Installment Sale Agreement.

Pursuant to the 2013 Installment Sale Agreement, all money on deposit in the Pledged Tax Fund shall be set aside and deposited by the Local Agency in the various funds and accounts within the Revenue Fund at the following times in the following order of priority:

***Interest Fund and Principal Fund Deposits.*** On or before the 15th day preceding each Interest Payment Date, the Local Agency shall, from the money in the Pledged Tax Fund, transfer to the Trustee for deposit in the Interest Payment Account in the Interest Fund within the Revenue Fund, a sum equal to the interest becoming due and payable on the next succeeding Interest Payment Date, except that no such deposit need be made if the Trustee then holds money in such Interest Payment Account equal to the amount of interest becoming due and payable with respect to the Local Agency on the next succeeding Interest Payment Date; and on or before the 15th day preceding each Certificate Payment Date, the Local Agency shall, from the money in the Pledged

Tax Fund, transfer to the Trustee for deposit in the Principal Payment Account in the Principal Fund within the Revenue Fund, a sum equal to the principal becoming due and payable on the next succeeding Certificate Payment Date, except that no such deposit need be made if the Trustee then holds money in such Principal Payment Account equal to the amount of principal becoming due and payable with respect to the Local Agency on the next succeeding Certificate Payment Date.

***Reserve Fund Deposit.*** On or before the 15th day of each month, the Local Agency shall, from the money in the Pledged Tax Fund, transfer to the Trustee for deposit in the Reserve Subaccount in the Reserve Fund within the Revenue Fund that sum, if any, necessary to restore such Reserve Subaccount to an amount equal to the Reserve Fund Requirement, all in accordance with and subject to the terms and conditions of the Trust Agreement. All money in the Reserve Subaccount shall be used and withdrawn by the Trustee for the purposes specified in the Trust Agreement.

***Administration Fund Deposit.*** On or before the 15th day preceding each Certificate Payment Date, the Local Agency shall, from the remaining money on deposit in the Pledged Tax Fund, transfer to the Trustee for deposit in the Local Agency's Administration Subaccount in the Administration Fund within the Revenue Fund, a sum equal to the Administration Fee becoming due and payable under the Trust Agreement on the next Certificate Payment Date, and all money on deposit in the Administration Subaccount shall be used to pay the Administration Fee due on such Certificate Payment Date, in accordance with the terms of the Trust Agreement. "Administration Fee" means an amount equal to the sum of the respective annual administration fees charged by the Authority, the Trustee, and the Rebate Analyst, payable on the 15th day of the month preceding each Principal Payment Date.

**Notwithstanding the foregoing, provided all transfers described above under the subheadings "Reserve Fund Deposit" and "Administrative Fund Deposit" have been made, on any Business Day moneys on deposit in the Pledged Tax Fund in excess of the sum of (i) interest becoming due and payable under the 2013 Installment Sale Agreement on the next succeeding Interest Payment Date (less amounts then held by the Trustee in the Interest Payment Account) and (ii) the Pro Rata Share of Principal (less amounts then held by the Trustee in the Principal Payment Account) may be expended by the Local Agency at any time for any purpose permitted by law. "Pro Rata Share of Principal" is defined in the 2013 Installment Sale Agreement to mean, during any month, an amount of principal becoming due and payable thereunder on the next succeeding Certificate Payment Date that would have accrued if such principal were deemed to accrue monthly in equal amounts from the preceding Certificate Payment Date.**

### **Deposit of Other Available Revenues**

Notwithstanding the pledge of Measure A Receipts as described above, the Local Agency may satisfy its obligation to deposit Installment Sale Payments with the Trustee by depositing Other Available Revenues with the Trustee and, if and when so deposited, such Other Available Revenues shall be irrevocably pledged to the payment of Installment Sale Payments. Unless and until deposited with the Trustee, such Other Available Revenues are not pledged to the payment of Installment Sale Payments. The term "Other Available Revenues" is defined in the 2013 Installment Sale Agreement as revenues, other than Measure A Receipts, legally available to the Local Agency to make Installment Sale Payments.

### **Additional Contracts**

So long as the Local Agency is not in default under the 2013 Installment Sale Agreement, the Local Agency may at any time execute any installment sale contracts, capital leases, or similar obligations

of the Local Agency (each, a “Contract”), authorized and executed by the Local Agency under and pursuant to applicable law, that constitute additional charges against its Measure A Receipts without the consent of Owners of the Certificates. See “APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – 2013 Installment Sale Payments; Administration Fee – Additional Contracts.” To the extent that other Contracts are executed by the Local Agency, the funds available to pay the Installment Sale Payments may be decreased. In addition, there is no limitation on the ability of the Local Agency City to execute any Contract at any time to refund any outstanding Contract.

### **Reserve Fund**

The Trustee will set aside from amounts deposited by the Local Agency in the Revenue Fund and deposit in the Local Agency’s Reserve Subaccount that amount of money (or other authorized deposit of security) that shall be required to maintain the Local Agency’s Reserve Subaccount in the full amount of the Local Agency’s Reserve Fund Requirement. No deposit need be made in the Reserve Subaccount so long as there shall be on deposit therein a sum equal to the Reserve Fund Requirement. All money in the Reserve Subaccount (including all amounts that may be obtained from any insurance policy on deposit in the Reserve Subaccount) shall be used and withdrawn by the Trustee solely for the purpose of replenishing the Local Agency’s Interest Payment Account or the Principal Payment Account, in that order, in the event of any deficiency at any time in either of such accounts, but solely for the purpose of paying the interest, principal, or prepayment premiums, if any, payable in connection with the 2013 Installment Sale Agreement, except that any cash amounts in the Reserve Subaccount in excess of the amount required to be on deposit therein shall be withdrawn from the Reserve Subaccount on each Interest Payment Date and deposited in the Local Agency’s Interest Payment Account.

In lieu of making a Reserve Fund Requirement deposit or in replacement of moneys then on deposit in the Reserve Subaccount (which shall be transferred by the Trustee to the Local Agency upon delivery of an insurance policy satisfying the requirements stated below), the Local Agency may also deliver to the Trustee an insurance policy (a “Qualified Reserve Instrument”) securing an amount, together with moneys or Permitted Investments on deposit in the Reserve Subaccount, no less than the Reserve Fund Requirement, issued by an insurance company licensed to issue insurance policies guaranteeing the timely payment of the principal and interest components of the 2013 Installment Sale Agreement and whose unsecured debt obligations (or for which obligations secured by such insurance company’s insurance policies) are rated in the two highest rating categories (without respect to any modifier) of the Rating Agency. The prior written consent of the Certificate Insurer shall be condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Reserve Subaccount, if any. Notwithstanding anything to the contrary set forth in the Trust Agreement, amounts on deposit in the Reserve Subaccount shall be applied solely to the payment of debt service due on the Certificates.

If and to the extent that the Reserve Subaccount has been funded with a combination of cash (or Permitted Investments) and a Qualified Reserve Instrument, then all such cash (or Permitted Investments) shall be completely used before any demand is made on such Qualified Reserve Instrument, and replenishment of the Qualified Reserve Instrument shall be made prior to any replenishment of any cash (or Permitted Investments). If the Reserve Subaccount is funded, in whole or in part, with more than one Qualified Reserve Instrument, then any draws made against such Qualified Reserve Instrument shall be made pro-rata.

The term “Reserve Fund Requirement” is defined in the Trust Agreement to mean, as of any date of calculation, an amount equal to the least of (i) 10% of the initial stated principal amount (within the meaning of Section 148 of the Code) of the 2013 Installment Sale Payments under the 2013 Installment Sale Agreement; (ii) 125% of the average annual 2013 Installment Sale Payments under the 2013 Installment Sale Agreement; or (iii) the Maximum Annual Debt Service.

See “APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – Trust Agreement.”

### **Reserve Policy**

The Certificate Insurer will issue a Municipal Bond Debt Service Reserve Insurance Policy (the “Reserve Policy”) for the purpose of funding the Reserve Fund for the Certificates. The Reserve Policy will be issued by the Certificate Insurer in an amount equal to the Reserve Fund Requirement applicable to the Certificates. The Reserve Policy is a Qualified Reserve Instrument. The premium for the Reserve Policy is to be fully paid at or prior to the execution and delivery of the Certificates.

As long as the Reserve Policy shall be in full force and effect, the Local Agency and the Trustee, as appropriate, shall comply with the following provisions:

(a) The Local Agency shall repay any draws under the Reserve Policy and pay all related reasonable expenses incurred by the Certificate Insurer and shall pay interest thereon from the date of payment by the Certificate Insurer at the Late Payment Rate. “Late Payment Rate” means the lesser of (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate (“Prime Rate”) (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest with respect to the Certificates and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Certificate Insurer shall specify. If the interest provisions of this subparagraph (a) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness described herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party related to such indebtedness, be applied as additional interest for any later periods of time when amounts are outstanding to the extent that interest otherwise due for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied to principal immediately upon receipt of such moneys by the Certificate Insurer, with the same force and effect as if the Local Agency had specifically designated such extra sums to be so applied and the Certificate Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed to or actual exaction as consideration for the indebtedness described herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, “Policy Costs”) shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to one twelfth of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Certificate Insurer shall be credited first to interest due, then to the expenses due, and then to principal due. As and to the extent that payments are made to the Certificate Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy.

The obligation to pay Policy Costs shall be secured by a valid lien on all revenues and other collateral pledged as security for the payment of Installment Sale Payments (subject only to the priority of payment provisions set forth in the Trust Agreement). All cash and investments in the Reserve Fund shall be transferred to the Interest Fund or Principal Fund, as applicable, for payment of debt service with

respect to the Certificates before any drawing may be made on the Reserve Policy or any other credit facility credited to the Reserve Fund in lieu of cash (“Credit Facility”). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the Reserve Policy) on which there is available coverage shall be made on a pro rata basis (calculated by reference to the coverage then available thereunder) in applying all available cash and investments in the Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro rata basis prior to replenishment of any cash drawn from the Reserve Fund. For the avoidance of doubt, “available coverage” means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(b) If the Local Agency shall fail to pay any Policy Costs in accordance with the requirements of subparagraph (a) above, the Certificate Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Trust Agreement, other than (i) acceleration of the maturity of the Certificates or (ii) remedies which would adversely affect owners of the Certificates.

(c) The Trust Agreement shall not be discharged until all Policy Costs owing to the Certificate Insurer shall have been paid in full. The Local Agency’s obligation to pay such amounts shall expressly survive payment in full of the Installment Sale Payments.

(d) The Local Agency shall include any Policy Costs then due and owing to the Certificate Insurer in the calculation of the additional Contracts test in the Trust Agreement.

(e) The Trust Agreement shall require the Trustee to ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of subparagraph (a) above and to provide notice to the Certificate Insurer accordance with the terms of the Reserve Policy at least five business days prior to each date upon which interest or principal is due with respect to the Certificates. Where deposits are required to be made by the Local Agency with the Trustee to the Interest Fund or Principal Fund, as applicable, more often than semi-annually, the Trustee shall be instructed to give notice to the Certificate Insurer of any failure of the Local Agency to make timely payment in full of such deposits within two business days of the date due.

### **Certificate Insurance Policy**

The scheduled payment of principal and interest with respect to the Certificates when due will be guaranteed under the Certificate Insurance Policy to be issued concurrently with the delivery of the Certificates by the Certificate Insurer. For a more detailed description of the Certificate Insurance Policy and the Certificate Insurer, see “CERTIFICATE INSURANCE POLICY” and “APPENDIX E – SPECIMEN MUNICIPAL BOND INSURANCE POLICY.”

## **THE LOCAL AGENCY AND THE PROJECT**

### **Participating Local Agency**

Certain economic and demographic information regarding the City of Moreno Valley, as the participating Local Agency, is included in Appendix B. See “MEASURE A REVENUES; MEASURE A RECEIPTS” for a discussion of the portion of Measure A Revenues that has historically been allocated by the Commission to the Local Agency. Only the portion of Measure A Revenues allocated by the

Commission to the Local Agency constituting Measure A Receipts may be applied to pay the Installment Sale Payments.

**The Project**

The Local Agency is undertaking the Project as part of the Local Agency’s ongoing effort to accelerate street system improvements within its jurisdiction. The Project is expected to include the components described below.

The Project will be comprised of facilities that are eligible for expenditure of Measure A Receipts under applicable laws of the State. The entire City of Moreno Valley Project constitutes a Measure A Project. The Project is expected to cost approximately \$19,500,000, which cost is expected to be paid from proceeds from the sale of the Certificates and from additional Measure A Revenues. The Project is currently expected to include the improvements described in the following table.

**MEASURE A REVENUES; MEASURE A RECEIPTS**

**Pledge of Measure A Receipts**

Pursuant to the 2013 Installment Sale Agreement, the City of Moreno Valley will pledge its Measure A Receipts for the payment of Installment Sale Payments. The term “Measure A Receipts” is defined in the 2013 Installment Sale Agreement to mean Measure A Revenues allocated by the Commission to the City of Moreno Valley pursuant to the Measure A Ordinance, to the extent the Project constitutes a Measure A Project, for deposit in the Pledged Tax Fund in accordance with the 2013

Installment Sale Agreement. The term “Measure A Project” is defined in the 2013 Installment Sale Agreement to mean a capital project for which Measure A Receipts may be expended. The entire Project constitutes a Measure A Project. See “THE LOCAL AGENCY AND THE PROJECT – The Project.”

The term “Measure A Revenues” is defined in the 2013 Installment Sale Agreement to mean revenues of the Commission derived from the Measure A Sales Tax imposed in the County pursuant to the Measure A Sales Tax Act and the Measure A Ordinance. In accordance with the Measure A Sales Tax Act, on November 5, 2002, more than two-thirds of the voters of the County voting on the measure approved the Measure A Ordinance, which authorized the imposition of the Measure A Sales Tax, a one-half of one percent (0.5%) retail transaction and use tax on the gross receipts of retailers from the sale of tangible personal property sold in the County and a use tax at the same rate upon the storage, use, or other consumption in the County of such property purchased from any retailer for storage, use, or other consumption in the County, subject to certain limited exceptions described below. The Measure A Sales Tax commenced on July 1, 2009, is administered by the Commission, and will be collected for a thirty-year period ending on June 30, 2039.

For more information regarding the portion of Measure A Revenues historically allocated by the Commission to the City of Moreno Valley, see “ – Historical 1988 Sales Tax and Measure A Revenues” below. See also ‘RISK FACTORS.’

### **The Measure A Sales Tax**

On November 8, 1988, more than two-thirds of the voters approved Ordinance No. 88-01, the Riverside County Transportation Commission Transportation Expenditure Plan and Retail Transaction and Use Tax Ordinance, which authorized the imposition of a one-half of one percent (0.5%) retail transactions and use tax on the gross receipts of retailers from the sale of tangible personal property sold in the County and a use tax at the same rate upon the storage, use, or other consumption in the County of such property purchased from any retailer for storage, use, or other consumption in the County, subject to certain limited exceptions (the “1988 Sales Tax”). The 1988 Sales Tax ceased to be effective on June 30, 2009, and the 1988 Sales Tax does not secure payment of the Certificates. The 1988 Sales Tax was levied by the Commission at the same rate and on the same types of transactions as the Measure A Sales Tax. See “ – Historical 1988 Sales Tax and Measure A Revenues” below.

The Measure A Sales Tax imposed in the County for transportation purposes and administered by the Commission is in addition to the sales or use tax levied statewide by the State. On November 6, 2012, State voters approved Proposition 30, which, among other things, increased the statewide tax rate by one quarter of one percent – increasing the statewide rate from 7.25% to 7.50% – for four years, effective January 1, 2013, through December 31, 2016. In general, the State Sales Tax (as defined below) applies to the gross receipts of retailers from the sale of tangible personal property. The State use tax is imposed on the storage, use, or other consumption in the State of property purchased from a retailer for such storage, use, or other consumption. Since the use tax does not apply to cases where the sale of the property is subject to the sales tax, the application of the use tax generally is to purchases made outside of the State for use within the State.

The Measure A Sales Tax is generally imposed upon the same transactions and items subject to the sales and use tax levied by the State (hereinafter collectively referred to as the “State Sales Tax”), with generally the same exceptions. Many categories of transactions are exempt from the State Sales Tax and the Measure A Sales Tax. The most important of these exemptions are: sales of food products for home consumption, prescription medicine, edible livestock and their feed, seed and fertilizer used in raising food for human consumption, and gas, electricity, and water when delivered to consumers through mains, lines, and pipes. In addition, “Occasional Sales” (i.e., sales of property not held or used by a seller in the course of activities for which he or she is required to hold a seller’s permit) are generally exempt

from the State Sales Tax and from the Measure A Sales Tax; however, the “Occasional Sales” exemption does not apply to the sale of an entire business and other sales of machinery and equipment used in a business. Sales of property to be used outside the County that are shipped to a point outside the County, pursuant to the contract of sale, by delivery to such point by the retailer, or by delivery by the retailer to a carrier for shipment to a consignee, at such point, are exempt from the State Sales Tax and from the Measure A Sales Tax.

Action by the State Legislature or by voter initiative could change the transactions and items upon which the State Sales Tax and the Measure A Sales Tax are imposed. Such changes or amendments could have either an adverse or beneficial effect on Measure A Revenues. Neither the Authority nor the Local Agency is currently aware of any proposed legislative change that would have a material adverse effect on Measure A Revenues.

### **Riverside County Transportation Commission**

The State Legislature created the Commission in 1976 as one of four transportation commissions designed to provide more local participation in and control of transportation matters in the southern California area. The Commission is charged with a number of responsibilities in serving the residents of the County, the most prominent of which is administering the sales tax program created by the Measure A Sales Tax Act. The Commission’s other responsibilities include: (1) serving as the congestion management agency for the County and (2) serving as the Service Authority for Freeway Emergencies, which operates the freeway service patrol for the County.

### **Senior Lien Measure A Obligations**

The Measure A Ordinance provides that not more than \$975,000,000 in aggregate principal amount of bonds or other evidence of indebtedness issued by the Commission and secured by Measure A Revenues may be outstanding at any one time. The Commission has issued \$462,200,000 in original principal amount of Sales Tax Revenue Bonds (Limited Tax Bonds), 2013 Series A (the “2013 Bonds”), \$37,630,000 in original principal amount of Sales Tax Revenue Bonds (Limited Tax Bonds), 2010 Series A (Tax-Exempt), \$112,370,000 in original principal amount of Sales Tax Revenue Bonds (Limited Tax Bonds), 2010 Series B (Taxable Build America Bonds), and \$185,000,000 in original, aggregate principal amount of Sales Tax Revenue Bonds (Limited Tax Bonds) 2009 Series A, 2009 Series B, and 2009 Series C (the “2009 Bonds” and, collectively, with the 2013 Bonds and the other bonds listed in this sentence, the “Senior Lien Bonds”). Following the issuance of the 2013 Bonds, the Senior Lien Bonds are outstanding in the aggregate principal amount of approximately \$773,600,000. All Senior Lien Bonds are secured by a first lien pledge of Measure A Revenues. The Senior Lien Bonds were issued pursuant to an Indenture dated as of June 1, 2008, as supplemented from time to time (collectively, the “Measure A Revenues Indenture”), by and between the Commission and U.S. Bank National Association, as trustee (“the Measure A Revenues Trustee”).

Pursuant to the Measure A Revenues Indenture, the Commission may issue from time to time additional bonds or other obligations on a parity with the Senior Lien Bonds (collectively, “Parity Obligations”). The Commission may also issue from time to time obligations payable out of Measure A Revenues on a basis subordinate to the payment of the principal, premium, interest, and reserve fund requirements for the Senior Lien Bonds and all Parity Obligations (collectively, “Subordinate Obligations”). For example, the Commission has instituted a program pursuant to which it may issue commercial paper notes as Subordinate Obligations in an aggregate principal amount of up to \$120,000,000. No such Subordinate Obligations are presently outstanding.

The Commission has also entered into swap agreements with respect to the Sales Tax Revenue Bonds (Limited Tax Bonds) 2009 Series A, 2009 Series B, and 2009 Series C (collectively, the “Swap

Agreements”). The Commission’s obligation to make early termination payments under the Swap Agreements is secured by a pledge of the Measure A Revenues that is subordinate to the pledge in favor of the Senior Lien Bonds, any Parity Obligations, and any Subordinate Obligations.

The Commission may also obtain liquidity facilities or credit enhancement (“Liquidity Facilities/Credit Enhancement”) for its Senior Lien Bonds and all Parity Obligations. The Commission has obtained such Liquidity Facilities/Credit Enhancement for its outstanding 2009 Bonds.

All payments with respect to the Senior Lien Bonds, Parity Obligations, Subordinate Obligations, the Swap Agreements, and the Liquidity Facilities/Credit Enhancement (collectively, the “Senior Lien Measure A Obligations”) will be made from Measure A Revenues before any remaining Measure A Revenues will be transferred to the Commission for allocation by the Commission to the City of Moreno Valley. See “ – Collection and Allocation of Measure A Revenues” below. See also ‘RISK FACTORS.’”

### **Collection and Allocation of Measure A Revenues**

Collection of the Measure A Sales Tax is administered by the California Board of Equalization (the “Board of Equalization”). The Commission and the Board of Equalization have entered into an agreement for state administration of district transactions and use taxes to authorize payment of Measure A Revenues directly to the Measure A Revenues Trustee, as trustee under the Measure A Revenues Indenture. The Board of Equalization, after deducting amounts payable to itself, is required to remit the balance of amounts received from the Measure A Sales Tax directly to the Measure A Revenues Trustee. The Measure A Revenues Trustee is required to apply the Measure A Revenues to make deposits to the funds and accounts established under the Measure A Revenues Indenture to pay the Senior Lien Bonds and any Parity Obligations and to transfer the remaining amounts to make payments with respect to any Subordinate Obligations, Swap Agreements, and Liquidity Facilities/Credit Enhancement. After payments have been made with respect to the Senior Lien Measure A Obligations, the remaining unapplied Measure A Revenues, if any, are transferred to the Commission for use for any purpose contemplated by the Measure A Ordinance.

Pursuant to the Measure A Ordinance, the Commission, after making a deduction for administration, first allocates such remaining unapplied Measure A Revenues to be applied for transportation purposes to the Western County, Coachella Valley, and Palo Verde Valley areas within the County in proportion to the Measure A Revenues generated within those areas. Currently, the Commission allocates such remaining unapplied Measure A Revenues as follows: (i) approximately 75.9% to the Western County area; (ii) approximately 23.4% to the Coachella Valley; and (iii) approximately 0.7% to the Palo Verde Valley area.

The City of Moreno Valley is within the Western County area of the County. Approximately 29% of the portion of the Measure A Revenues allocated by the Commission to the Western County area is applied to the local streets and roads program within such area. To the extent any portion of the Project to be constructed by the City of Moreno Valley is designated by the Commission as a qualified project for purposes of the local streets and roads program established under the Measure A Ordinance, such portion will constitute a Measure A Project. The entire City of Moreno Valley Project constitutes a Measure A Project. See “THE LOCAL AGENCY AND THE PROJECT – The Project.” The funds made available in the Western County area for purposes of the local streets and roads program are distributed to the cities in the Western County area and the County by a formula based 75% on proportionate population and 25% on proportionate revenues generated by the Measure A Ordinance within each jurisdiction. In order to be eligible for these funds, the City of Moreno Valley is required to: (i) file a Five-Year Capital Improvement Plan for the use of these, updated annually, with the Commission, (ii) participate in a Transportation Uniform Mitigation Fee (“TUMF”) Program developed and administered by the Western Riverside Council of Governments, (iii) participate in the Multi-Species Habitat Conservation Plan

(“MSHCP”) developed and administered by the Western Riverside County Regional Conservation Authority, and (iv) comply with a maintenance of effort requirement. See “ – Historical 1988 Sales Tax and Measure A Revenues” below for a table setting forth the portion of the 1988 Sales Tax revenues and the portion of the Measure A Revenues historically allocated by the Commission to the City of Moreno Valley for fiscal years 2001-02 through 2012-13. The portion of such Measure A Revenues allocated by the Commission to the City of Moreno Valley, to the extent the Project constitutes a Measure A Project, for deposit in the Pledged Tax Fund in accordance with the 2013 Installment Sale Agreement, constitutes Measure A Receipts. Measure A Receipts are pledged to make the Installment Sale Payments.

**Historical 1988 Sales Tax and Measure A Revenues**

The following table sets forth the portion of the 1988 Sales Tax revenues (the 1988 Sales Tax was effective through June 30, 2009) and the portion of the Measure A Revenues (the Measure A Sales Tax became effective on July 1, 2009) historically allocated by the Commission to the City of Moreno Valley for fiscal years 2001-02 through 2012-13. The 1988 Sales Tax was levied by the Commission at the same rate and on the same types of transactions as the Measure A Sales Tax.

## MAXIMUM ANNUAL DEBT SERVICE COVERAGE

The following table sets forth the maximum annual debt service coverage with respect to the Certificates. The maximum annual debt service coverage is based upon Measure A Revenues allocated to the City of Moreno Valley for fiscal year 2012-13. See “MEASURE A REVENUES; MEASURE A RECEIPTS – Historical 1988 Sales Tax and Measure A Revenues – City of Moreno Valley.” Measure A Receipts constitute the portion of the Measure A Revenues allocated by the Commission to the City of Moreno Valley pursuant to the Measure A Ordinance, to the extent the Project constitutes a Measure A Project, for deposit in the Pledged Tax Fund in accordance with the 2013 Installment Sale Agreement. The entire Project constitutes a Measure A Project. See “THE LOCAL AGENCY AND THE PROJECT – The Project.”

In addition, the rating agencies may at any time change AGM's long-term rating outlooks or place such ratings on a watch list for possible downgrade in the near term. Any downward revision or withdrawal of any of the above ratings, the assignment of a negative outlook to such ratings or the placement of such ratings on a negative watch list may have an adverse effect on the market price of any security guaranteed by AGM. AGM only guarantees scheduled principal and scheduled interest payments payable by the issuer of bonds insured by AGM on the date(s) when such amounts were initially scheduled to become due and payable (subject to and in accordance with the terms of the relevant insurance policy), and does not guarantee the market price or liquidity of the securities it insures, nor does it guarantee that the ratings on such securities will not be revised or withdrawn.

## **RISK FACTORS**

*Investment in the Certificates involves risks that may not be appropriate for certain investors. The following is a discussion of certain risk factors that should be considered, in addition to other matters set forth herein, in evaluating the Certificates for investment. The information set forth below does not purport to be an exhaustive listing of the risks and other considerations that may be relevant to an investment in the Certificates. In addition, the order in which the following information is presented is not intended to reflect the relative importance of any such risks.*

### **Installment Sale Payments Constitute Limited Obligations**

The obligation of the Local Agency to make Installment Sale Payments under the 2013 Installment Sale Agreement is a special obligation of the Local Agency and does not constitute a debt of the Local Agency, the Authority, the State, or any political subdivision of the State within the meaning of any constitutional or statutory debt limitation or restriction, and does not constitute an obligation for which the Local Agency, the State, or any political subdivision of the State is obligated to levy or pledge any form of taxation or for which the Local Agency, the State, or any political subdivision of the State has levied or pledged any form of taxation. The Authority has no taxing power.

## **Passive Revenue Source**

The payment of principal and interest with respect to the Certificates is secured solely by a pledge by the Local Agency of the Local Agency's Measure A Receipts, and certain funds under the 2013 Installment Sale Agreement. The Local Agency does not have any control over the amount of Measure A Receipts to be received by the Local Agency because (1) Measure A Revenues constitute revenues of the Commission derived from a retail transactions and use tax imposed in the County pursuant to the Measure A Sales Tax Act and the Measure A Ordinance, the number of transactions and revenues generated under which tax the Local Agency has no ability to control, and Measure A Receipts are allocated by the Commission to the Local Agency only after the payment of all Senior Lien Measure A Obligations, and (2) the Local Agency does not have any control over the collection or distribution procedures related to any State taxes or local retail transactions and use taxes.

There can be no assurance that Measure A Receipts will be available in the amounts estimated in this Official Statement. A decrease in Measure A Revenues would adversely affect the amount and/or availability of Measure A Receipts. In addition, the Local Agency must continuously meet certain requirements set forth in the Measure A Ordinance in order to be eligible to receive Measure A Revenues from the Commission and apply Measure A Receipts to pay the Installment Sale Payments. Such requirements include the annual adoption by the Local Agency of a resolution approving the Local Agency's Five-Year Capital Improvement Plan, participation by the City of Moreno Valley in the TUMF and MSHCP Programs, and compliance by the City of Moreno Valley with a maintenance of effort requirement. See "MEASURE A REVENUES; MEASURE A RECEIPTS – Collection and Allocation of Measure A Revenues."

## **Allocation of Measure A Revenues to City of Moreno Valley is Subordinate to Payment of Senior Lien Measure A Obligations**

Collection of the Measure A Sales Tax is administered by the Board of Equalization. The Commission and the Board of Equalization have entered into an agreement for state administration of district transactions and use taxes to authorize payment of Measure A Revenues directly to the Measure A Revenues Trustee, as trustee under the Measure A Revenues Indenture. The Board of Equalization, after deducting amounts payable to itself, is required to remit the balance of amounts received from the Measure A Sales Tax directly to the Measure A Revenues Trustee. The Measure A Revenues Trustee is required to apply the Measure A Revenues to make deposits to the funds and accounts established under the Measure A Revenues Indenture to pay the Senior Lien Bonds and any Parity Obligations and to transfer the remaining amounts to make payments with respect to any Subordinate Obligations and Swap Agreements. All payments with respect to the Senior Lien Bonds, Parity Obligations, Subordinate Obligations, and the Swap Agreements will be made from Measure A Revenues before any remaining Measure A Revenues will be released by the Measure A Revenues Trustee and transferred to the Commission for allocation by the Commission for use for any purpose contemplated by the Measure A Ordinance, including, without limitation, the allocation of Measure A Revenues to the City of Moreno Valley. The Measure A Ordinance provides that not more than \$975,000,000 in aggregate principal amount of bonds or other evidences of indebtedness issued by the Commission and secured by Measure A Revenues may be outstanding at any one time. See "MEASURE A REVENUES; MEASURE A RECEIPTS – Senior Lien Measure A Obligations" and " – Collection and Allocation of Measure A Revenues."

## **Limitations on Use of Measure A Revenues**

Not all of the Measure A Revenues allocated by the Commission to the Local Agency may be applied to pay the Installment Sale Payments. Only the Measure A Receipts may be so applied. See

“MEASURE A REVENUES; MEASURE A RECEIPTS – Collection and Allocation of Measure A Revenues.”

### **Additional Contracts**

Subject to certain restrictions, the Local Agency is permitted to enter into other Contracts that constitute additional charges against its Measure A Receipts without the consent of Owners of the Certificates. See “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Additional Contracts.” To the extent that other Contracts are executed by the Local Agency, the funds available to pay the Installment Sale Payments may be decreased. In addition, there is no limitation on the ability of the Local Agency to execute any Contract at any time to refund any outstanding Contract.

### **Loss of Tax Exemption**

As discussed under the heading “TAX MATTERS,” certain acts or omissions of the Local Agency in violation of its covenants in the Trust Agreement and the 2013 Installment Sale Agreement could result in the interest represented by the Certificates being includable in gross income for purposes of federal income taxation retroactive to the date of delivery of the Certificates. Should such an event of taxability occur, the Certificates would not be subject to a special prepayment and would remain outstanding. Should such event of taxability be attributable solely to the acts or omissions of the Local Agency, such violation could result in the interest represented by the Certificates (attributable on a pro rata basis to the Local Agency’s Installment Sale Payments) being includable in gross income for purposes of federal income taxation retroactive to the date of delivery of the Certificates.

### **Limitations on Remedies; Bankruptcy**

The rights of the owners of the Certificates are subject to the limitations on legal remedies against municipalities in the State, including a limitation on enforcement of judgments against funds needed to serve the public welfare and interest. Additionally, enforceability of the rights and remedies of the owners of the Certificates, and enforcement of the Local Agency’s obligations under the 2013 Installment Sale Agreement, may become subject to the federal bankruptcy code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditor’s rights generally, now or hereafter in effect, equity principles that may limit the specific enforcement under State law of certain remedies, the exercise by the United States of America of the powers delegated to it by the Constitution, the reasonable and necessary exercise, in certain exceptional situations, of the police powers inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose and the limitations on remedies against cities in the State.

Bankruptcy proceedings under Chapter 9 of the Bankruptcy Code (Title 11, United States Code), which governs the bankruptcy proceedings for public agencies such as the Local Agency and the Commission, or the exercise of powers by the federal or State government, if initiated, could subject the owners of the Certificates to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation, or modification of their rights.

Special Counsel has limited its opinion as to the validity and enforceability of the 2013 Installment Sale Agreement and the Trust Agreement to the extent that enforceability may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance or transfer, moratorium, or other similar laws affecting generally the enforcement of creditor’s rights, by equitable principles and by the exercise of judicial discretion. The lack of availability of certain remedies or the limitation of remedies may entail risks of delay, limitation, or modification of the rights of the Owners.

## **Constitutional Limitations on Appropriations**

California law imposes various taxing, revenue, and appropriations limitations on public agencies such as the Local Agency. See “CONSTITUTIONAL PROVISIONS AFFECTING LOCAL AGENCY REVENUES AND APPROPRIATIONS” herein for a discussion of these limitations.

## **California State Legislature or Electorate May Change Items Subject to Measure A Sales Tax**

With limited exceptions, the Measure A Sales Tax will be imposed upon the same transactions and items subject to the sales tax levied statewide by the State. In the past, the California State Legislature and the State electorate have made changes to the transactions and items subject to the State’s general sales tax and, therefore, the Measure A Sales Tax. In 1991, the California State Legislature enacted legislation that expanded the transactions and items subject to the general statewide sales tax to include fuel for aviation and shipping, bottled water, rental equipment, and newspapers and magazines. In 1992, the State electorate approved an initiative that eliminated candy, gum, bottled water, and confectionery items as items subject to the State’s general sales tax. In each case, the same changes were made to transactions or items then subject to the 1988 Sales Tax, a tax similar to the Measure A Sales Tax. The State Legislature or the voters within the State, through the initiative process, could change or limit the transactions and items upon which the statewide sales tax and the Measure A Sales Tax are imposed. Any such change or limitation could have an adverse impact on the Measure A Revenues collected and the portion of such Measure A Revenues, and, correspondingly, the portion of Measure A Receipts, allocated by the Commission to the Local Agency. For a further description of the Measure A Sales Tax, see “MEASURE A REVENUES; MEASURE A RECEIPTS.”

## **Increases in Sales Tax Rate May Cause Declines in Measure A Revenues**

The 0.5% Measure A Sales Tax imposed in the County for transportation purposes and administered by the Commission is in addition to the sales or use tax levied statewide by the State. On November 6, 2012, State voters approved Proposition 30, which, among other things, increased the statewide tax rate by one quarter of one percent (increasing the statewide rate from 7.25% to 7.50%) for four years, effective January 1, 2013, through December 31, 2016, and the total County tax to 8%. Additional future increases, if any, in the State sales tax or the sales tax levied in the County could have an adverse effect on consumer spending decisions and consumption, resulting in a reduction of Measure A Revenues.

## **Increased Internet Use May Reduce Measure A Sales Tax**

The increasing use of the Internet to conduct electronic commerce may affect the levels of Measure A Sales Tax receipts. Internet sales of physical products by businesses located in the State, and Internet sales of physical products delivered to the State by businesses located outside of the State are generally subject to the Measure A Sales Tax. It is possible, however, that some of these transactions may avoid taxation either through error or deliberate nonreporting and this potentially reduces the amount of the Measure A Sales Tax. As a result, the more that Internet use increases, along with a failure to collect sales taxes on such Internet purchases, the more Measure A Revenues may be reduced.

## **No Liability of Authority to Owners**

Subject to any provisions in the Trust Agreement to the contrary, the Authority has no obligation or liability to the Owners of the Certificates with respect to the payment when due of the Installment Sale Payments by the Local Agency or with respect to the performance by the Local Agency of other agreements and covenants required to be performed by the Local Agency under the 2013 Installment Sale

Agreement or the Trust Agreement, or with respect to the performance by the Trustee of any of the Trustee's rights or obligations under the Trust Agreement.

### **Economic, Political, Social, and Environmental Conditions**

The level of Measure A Sales Tax revenues collected depends on the level of taxable sales transactions within the County, which, in turn, depends on the level of general economic activity in the County and the State generally. Prospective investors are encouraged to evaluate current and prospective economic, political, social, and environmental conditions as part of an informed investment decision. Changes in economic, political, social, or environmental conditions on a local, state, federal, or international level may adversely affect investment risk generally. Such conditional changes may include (but are not limited to) the reduction or elimination of previously available State or federal revenues, fluctuations in business production, consumer prices, or financial markets, unemployment rates, technological advancements, shortages or surpluses in natural resources or energy supplies, changes in law, social unrest, fluctuations in the crime rate, political conflict, acts of war or terrorism, environmental damage and natural disasters.

## **CONSTITUTIONAL PROVISIONS AFFECTING LOCAL AGENCY REVENUES AND APPROPRIATIONS**

### **Article XIII B of the California Constitution – Limitations on Appropriations**

On November 6, 1979, State voters approved Proposition 4, the so-called Gann Initiative, which added Article XIII B to the California Constitution ("Article XIII B"). In June 1990, Article XIII B was amended by the voters through their approval of Proposition 111, which is described below under the caption "Proposition 111." Article XIII B limits the annual appropriations of the State and of any city, county, school district, authority, or other political subdivision of the State to the level of appropriations for the prior fiscal year, as adjusted annually for changes in the cost of living, population, and cost of services rendered by the governmental entity. The "base year" for establishing such appropriation limit is fiscal year 1978-79. Increases in appropriations by a governmental entity are also permitted (i) if financial responsibility for providing services is transferred to the governmental entity, or (ii) for emergencies, so long as the appropriations limits for the three years following the emergency are reduced to prevent any aggregate increase above the Constitutional limit. Decreases are required where responsibility for providing services is transferred from the government entity.

Appropriations of an entity of local government subject to Article XIII B include generally any authorization to expend during the fiscal year the proceeds of taxes levied by the State or other entity of local government, exclusive of certain State subventions, refunds of taxes, benefit payments from retirement, unemployment insurance, and disability insurance funds. Appropriations subject to limitation pursuant to Article XIII B do not include debt service on indebtedness existing or legally authorized as of January 1, 1979, on bonded indebtedness thereafter approved according to law by a vote of the electors of the issuing entity voting in an election for such purpose, appropriations required to comply with mandates of courts or the federal government, appropriations for qualified capital outlay projects, and appropriations by the State of revenues derived from any increase in gasoline taxes and motor vehicle weight fees above January 1, 1990, levels. "Proceeds of taxes" include, but are not limited to, all tax revenues and the proceeds to any entity of government from (i) regulatory licenses, user charges, and user fees to the extent such proceeds exceed the cost of providing the service or regulation, (ii) the investment of tax revenues, and (iii) certain State subventions received by local governments. Article XIII B includes a requirement that if an entity's revenues in any year exceed the amount permitted to be spent, the excess must be returned by revising tax rates or fee schedules over the subsequent two fiscal years.

Article XIII B allows voters to approve a temporary waiver of a government's Article XIII B limit. Such a waiver is often referred to as a "Gann limit waiver." The length of any such waiver is limited to four years. The Gann limit waiver does not provide any additional revenues to the Local Agency or allow the Local Agency to finance additional services.

Installment Sale Payments are subject to the Article XIII B appropriations limitations. For fiscal year 2010-11, the City of Moreno Valley calculated its appropriations limit at \$84,193,306. For fiscal year 2011-12, the City of Moreno Valley calculated its appropriations limit at \$89,463,807. For fiscal year 2012-13, the City of Moreno Valley calculated its appropriations limit at \$93,811,748. For fiscal year 2013-14, the City of Moreno Valley has budgeted its appropriations limit at \$99,825,081. The Local Agency has never made appropriations that exceeded the limitation on appropriations under Article XIII B. The impact of the appropriations limit on the Local Agency's financial needs in the future is unknown.

### **Articles XIII C and XIII D of the California Constitution – The Right to Vote on Taxes**

On November 5, 1996, State voters approved Proposition 218, entitled the "Right to Vote on Taxes Act" ("Proposition 218"). Proposition 218 added Article XIII C ("Article XIII C") and Article XIII D ("Article XIII D") to the California Constitution, which Articles contain a number of provisions affecting the ability of local agencies to levy and collect both existing and future taxes, assessments, fees, and charges. The interpretation and application of certain provisions of Proposition 218 will ultimately be determined by the courts with respect to some of the matters discussed below. It is not possible at this time to predict with certainty the future impact of such interpretations. The provisions of Proposition 218, as so interpreted and applied, may affect the ability of the Local Agency to meet certain obligations.

Article XIII C requires that all new local taxes be submitted to the electorate before they become effective. Taxes for general governmental purposes require a majority vote and taxes for specific purposes, even if deposited in a general fund such as a general fund of the Local Agency, require a two-thirds vote. Article XIII C further provides that any general purpose tax imposed, extended, or increased, without voter approval, after December 31, 1994, may continue to be imposed only if approved by a majority vote in an election, which must be held within two years of November 5, 1996.

Article XIII C also expressly extends the initiative power to give voters the power to reduce or repeal local taxes, assessments, fees, and charges, regardless of the date such taxes, assessments, fees, and charges were imposed. Article XIII C expands the initiative power to include reducing or repealing assessments, fees, and charges, which had previously been considered administrative rather than legislative matters and therefore beyond the initiative power. This extension of the initiative power is not limited by the terms of Article XIII C to fees imposed after November 6, 1996, and absent other legal authority could result in the retroactive reduction in any existing taxes, assessments, fees, or charges. No assurance can be given that the voters within the jurisdiction of the Local Agency will not, in the future, approve initiatives which reduce or repeal, or prohibit the future imposition or increase of, local taxes, assessments, fees or charges currently comprising a substantial part of the Local Agency's general fund. "Assessments," "fees," and "charges" are not defined in Article XIII C, and it is unclear whether these terms are intended to have the same meanings for purposes of Article XIII C as for Article XIII D described below. If not, the scope of the initiative power under Article XIII C potentially could include any general fund local tax, assessment, or fee not received from or imposed by the federal or State government or derived from investment income.

The voter approval requirements of Proposition 218 reduce the flexibility of the Local Agency to raise revenues for its general fund, and no assurance can be given that the Local Agency will be able to impose, extend, or increase taxes in the future to meet increased expenditure needs.

Article XIID also added several new provisions relating to how local agencies may levy and maintain “assessments” for municipal services and programs. These provisions include, among other things, (i) a prohibition against assessments that exceed the reasonable cost of the proportional special benefit conferred on a parcel, (ii) a requirement that the assessment must confer a “special benefit,” as defined in Article XIID, over and above any general benefits conferred, and (iii) a majority protest procedure that involves the mailing of a notice and a ballot to the record owner of each affected parcel, a public hearing, and the tabulation of ballots weighted according to the proportional financial obligation of the affected party. “Assessment” in Article XIID is defined to mean any levy or charge upon real property for a special benefit conferred upon the real property and applies to landscape and maintenance assessments for open space areas, street medians, street lights, and parks.

In addition, Article XIID added several provisions affecting “fees” and “charges,” defined for purposes of Article XIID to mean “any levy other than an *ad valorem* tax, a special tax, or an assessment, imposed by [a local government] upon a parcel or upon a person as an incident of property ownership, including a user fee or charge for a property related service.” All new and existing property related fees and charges must conform to requirements prohibiting, among other things, fees and charges that (i) generate revenues exceeding the funds required to provide the property related service, (ii) are used for any purpose other than those for which the fees and charges are imposed, (iii) are for a service not actually used by, or immediately available to, the owner of the property in question, or (iv) are used for general governmental services, including police, fire, ambulance, or library services, where the service is available to the public at large in substantially the same manner as it is to property owners. Depending on the interpretation of what constitutes a “property related fee” under Article XIID, there could be future restrictions on the ability of the Local Agency to charge its respective enterprise funds for various services provided. Further, before any property related fee or charge may be imposed or increased, written notice must be given to the record owner of each parcel of land affected by such fee or charge. The Local Agency must then hold a hearing upon the proposed imposition or increase and, if written protests against the proposal are presented by a majority of the owners of the identified parcels, the Local Agency may not impose or increase the fee or charge. Moreover, except for fees or charges for wastewater, water, and refuse collection services, or fees for electrical and gas service, which fees or charges are not treated as “property related” for purposes of Article XIID, no property related fee or charge may be imposed or increased without majority approval by the property owners subject to the fee or charge or, at the option of the Local Agency, two-thirds voter approval by the electorate residing in the affected area.

The Local Agency does not believe that the provisions of Article XIIC or Article XIID will directly impact the Measure A Receipts available to the Local Agency to make its Installment Sale Payments required pursuant to the 2013 Installment Sale Agreement.

### **Future Initiatives**

Article XIIB, Article XIIC, and Article XIID were each adopted as measures that qualified for the ballot pursuant to the State’s Constitutional initiative process. From time to time other initiative measures could be adopted, affecting the ability of the Local Agency to increase or apply revenues and to make or increase appropriations or the ability of the Commission to levy, collect, or allocate Measure A Sales Tax, all of which could adversely impact the amount of Measure A Revenues received by the Local Agency.

## **THE AUTHORITY**

The Authority is a joint powers agency organized pursuant to a Joint Powers Agreement among a number of California counties, cities, and special districts entered into pursuant to the provisions relating to the joint exercise of powers contained in Chapter 5 of Division 7 of Title 1 (commencing with Section 6500) of the California Government Code.

Since its formation in 1988, the Authority has issued more than \$47.2 billion in tax-exempt financings. Any obligation, other than the obligations represented by the Certificates, previously or to be issued or otherwise incurred by the Authority will be secured by instruments separate and apart from the Trust Agreement and the 2013 Installment Sale Agreement. The holders of such other obligations of the Authority will have no claim on the security for the Certificates and the Owners will have no claim on the security of such other obligations issued by the Authority.

The Authority is governed by a seven-member commission and is currently comprised of three members from the California State Association of Counties, two members from the League of California Cities, one member from the City of Sacramento, and one member from the County of Sacramento (collectively, the “Commissioners”). Neither the Authority nor its Commissioners or officers have any obligations or liability to the Owners of the Certificates with respect to the payment of Installment Sale Payments by the Local Agency under the 2013 Installment Sale Agreement, or with respect to the performance of the Local Agency of other covenants made by the Local Agency in the 2013 Installment Sale Agreement.

## **TAX MATTERS**

In the opinion of Orrick, Herrington & Sutcliffe LLP (“Special Counsel”), Special Counsel to the Local Agency, based upon an analysis of existing laws, regulations, rulings, and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, the interest on the Installment Sale Payments paid by the Local Agency under the 2013 Installment Sale Agreement and received by the owners of the Certificates is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the “Code”) and is exempt from State of California personal income taxes. Special Counsel is of the further opinion that such interest is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Special Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. A complete copy of the proposed form of opinion of Special Counsel is set forth in Appendix C hereto.

To the extent the issue price of any maturity of the Certificates is less than the amount to be paid at maturity of such Certificates (excluding amounts stated to be interest and payable at least annually over the term of such Certificates), the difference constitutes “original issue discount,” the accrual of which, to the extent properly allocable to each Owner thereof, is treated as the interest on the Installment Sale Payments, which is excluded from gross income for federal income tax purposes and State of California personal income taxes. For this purpose, the issue price of a particular maturity of the Certificates is the first price at which a substantial amount of such maturity of the Certificates is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents, or wholesalers). The original issue discount with respect to any maturity of the Certificates accrues daily over the term to maturity of such Certificates on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Certificates to determine taxable gain or loss upon disposition (including sale, prepayment, or payment on maturity) of such Certificates. Owners of the Certificates should consult their own tax advisors with respect to the tax consequences of ownership of Certificates with original issue discount, including the treatment of Owners who do not

purchase such Certificates in the original offering to the public at the first price at which a substantial amount of such Certificates is sold to the public.

Certificates purchased, whether at original execution and delivery or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier repayment date) (“Premium Certificates”) will be treated as having amortizable premium. No deduction is allowable for the amortizable premium in the case of obligations, like the Premium Certificates, the interest on the Installment Sale Payments of which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and an Owner’s basis in a Premium Certificate, will be reduced by the amount of amortizable premium properly allocable to such Owner. Owners of Premium Certificates should consult their own tax advisors with respect to the proper treatment of amortizable premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of the interest on the Installment Sale Payments. Each of the Authority and the Local Agency has made certain representations and covenanted to comply with certain restrictions, conditions, and requirements designed to ensure that the interest on the Installment Sale Payments will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in the interest on the Installment Sale Payments being included in gross income for federal income tax purposes, possibly from the date of original delivery of the Certificates. The opinion of Special Counsel assumes the accuracy of these representations and compliance with these covenants. Special Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Special Counsel’s attention after the date of delivery of the Certificates may adversely affect the value of, or the tax status of the interest on, the Installment Sale Payments. Accordingly, the opinion of Special Counsel is not intended to, and may not, be relied upon in connection with any such actions, events, or matters.

Although Special Counsel is of the opinion that the interest on the Installment Sale Payments is excluded from gross income for federal income tax purposes and are exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of the interest on the Installment Sale Payments may otherwise affect an Owner’s federal, state, or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Owner or the Owner’s other items of income or deduction. Special Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause the interest on the Installment Sale Payments to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Owners from realizing the full current benefit of the tax status of such interest. As one example, the Obama Administration’s proposed 2014 budget includes a legislative proposal which, for tax years beginning after December 31, 2013, would limit the exclusion from gross income of interest on obligations like the interest on the Installment Sale Payments to some extent for taxpayers who are individuals and whose income is subject to higher marginal income tax rates. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Certificates. Prospective purchasers of the Certificates should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Special Counsel is expected to express no opinion.

The opinion of Special Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Special Counsel’s judgment as to the proper

treatment of the Certificates for federal income tax purposes. It is not binding on the Internal Revenue Service (“IRS”) or the courts. Furthermore, Special Counsel cannot give and has not given any opinion or assurance about the future activities of the Authority or the Local Agency, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof, or the enforcement thereof by the IRS. The Authority and the Local Agency have covenanted, however, to comply with the requirements of the Code.

Special Counsel’s engagement with respect to the Certificates ends with the delivery of the Certificates and, unless separately engaged, Special Counsel is not obligated to defend the Authority, the Local Agency, or the Owners regarding the tax-exempt status of the Certificates in the event of an audit examination by the IRS. Under current procedures, parties other than the Authority, the Local Agency, and their appointed counsel, including the Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt obligations is difficult, obtaining an independent review of IRS positions with which the Authority or the Local Agency legitimately disagree may not be practicable. Any action of the IRS, including but not limited to selection of the Certificates for audit, or the course or result of such audit, or an audit of obligations presenting similar tax issues may affect the market price for, or the marketability of, the Certificates, and may cause the Authority, the Local Agency, or the Owners to incur significant expense.

## **RATINGS**

It is anticipated that Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, will assign its municipal bond rating of “AA-” (stable outlook) to the Certificates, based on the issuance of the Certificate Insurance Policy by the Certificate Insurer at the time of delivery of the Certificates. In addition, such rating agency has assigned an underlying municipal bond rating of “A” (stable outlook) to the Certificates. There is no assurance that any such ratings will be in effect for any given period of time or that either or both such ratings will not be revised downward or withdrawn entirely by the rating agency if, in the judgment of such agency, circumstances so warrant. Any such downward revision or withdrawal may have an adverse effect on the market price of the Certificates. Such ratings reflect only the views of the rating agency furnishing such ratings and an explanation of the significance of a rating may be obtained only from such rating agency.

## **CONTINUING DISCLOSURE**

The Local Agency will covenant in a Continuing Disclosure Agreement to provide certain financial information and operating data and notices of certain listed events and to file such information and notices with the Municipal Securities Rulemaking Board. The specific nature of the information required to be provided is set forth in the Continuing Disclosure Agreement, a form of which is attached hereto as Appendix D. These covenants are being made in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) adopted by the SEC under the Securities Exchange Act of 1934 (the “Rule”).

In the previous five years the City of Moreno Valley and its related entities have filed each annual report required by their respective continuing disclosure undertakings in a complete and timely manner pursuant to the Rule. In the previous five years, the City of Moreno Valley and its related entities failed to file certain material event notices required by their respective continuing disclosure undertakings on a timely basis relating to bond insurer rating downgrades of which the City of Moreno Valley was unaware. The City has filed a corrective notice regarding such bond insurer rating downgrades and, during the previous five years, all other material event filings required to be made by the City of Moreno Valley and its related entities pursuant to their respective continuing disclosure undertakings have been made in a timely manner pursuant to the Rule.

## **UNDERWRITING**

The Certificates are being purchased by E. J. De La Rosa & Co., Inc. (the “Underwriter”). The Underwriter has agreed to purchase the Certificates at a price of \$19,695,051.35 (which represents the aggregate principal amount represented by the Certificates, less a net original issue discount of \$134,948.65, less an Underwriter’s discount of \$170,000.00).

The contract of purchase pursuant to which the Certificates are being purchased by the Underwriter provides that the Underwriter will purchase all of the Certificates if any are purchased. The obligation of the Underwriter to make such purchase is subject to certain terms and conditions set forth in the contract of purchase.

The Underwriter may offer and sell the Certificates to certain dealers and dealer banks and banks acting as agent and others at prices lower than the public offering prices stated on the inside cover page hereof and said public offering prices may be changed from time to time by the Underwriter.

Although the Underwriter expects to maintain a secondary market in the Certificates after the initial offering, no guaranty can be made that such a market will develop or be maintained by the Underwriter or others.

In such event, the Certificates will be transferable in accordance with subsection (f) of this section. DTC may determine to discontinue providing its services with respect to the Certificates at any time by giving written notice of such discontinuance to the Authority, the Local Agencies and the Trustee and discharging its responsibilities with respect thereto under applicable law. In such event, the Certificates will be transferable in accordance with subsection (f) of this section. (1) ***Interest Fund.*** On or before the Business Day immediately preceding each Interest Payment Date, the Trustee shall set aside from amounts deposited by the Local Agency in the Revenue Fund and deposit in the Local Agency Interest Payment Account that amount of money which is equal to the amount of interest becoming due and payable with respect to such Local Agency's Agreement on the next succeeding Interest Payment Date. In lieu of making the Local Agency Reserve Fund Requirement deposit or in replacement of moneys then on deposit in any Reserve Subaccount (which shall be transferred by the Trustee to the Local Agency upon delivery of an insurance policy satisfying the requirements stated below), the Local Agency may also deliver to the Trustee an insurance policy (a "Qualified Reserve Instrument") securing an amount, together with moneys or Permitted Investments on deposit in the Reserve Subaccount, no less than the Local Agency Reserve Fund Requirement, issued by an insurance company licensed to issue insurance policies guaranteeing the timely payment of the principal and interest components of the Local Agency Agreement and whose unsecured debt obligations (or for which obligations secured by such insurance company's insurance policies) are rated in the two highest rating categories (without respect to any modifier) of the Rating Agency. If and to the extent that a Local Agency's Reserve Subaccount has been funded with a combination of cash (or Permitted Investments) and a Qualified Reserve Instrument, then all such cash (or Permitted Investments) shall be completely used before any demand is made on such Qualified Reserve Instrument, and replenishment of the Qualified Reserve Instrument shall be made prior to any replenishment of any cash (or Permitted Investments). If a Local Agency's Reserve Subaccount is funded, in whole or in part, with more than one Qualified Reserve Instrument, then any draws made against such Qualified Reserve Instrument shall be made pro-rata.

The Reserve Policy has been credited to the Local Agency's Reserve Subaccount, and the Trustee shall make claims under the Reserve Policy in accordance with the terms of the Reserve Policy and the Insurance Agreement. The Reserve Policy is a Qualified Reserve Instrument.

(4) *Administration Fund.* On or before the Business Day immediately preceding each Certificate Payment Date, the Trustee shall set aside from amounts deposited by the Local Agency in the Revenue Fund and deposit in the Local Agency's Administration Subaccount an amount equal to such Local Agency's Administration Fee. All money in each Administration Subaccount shall be used and withdrawn by the Trustee solely for the purpose of paying the fees of the Authority, the Trustee and the Rebate Analyst, payable with respect to the Local Agency Agreement, except that any cash amounts in the Administration Subaccounts in excess of the amount required to be on deposit therein shall be withdrawn from the Administration Subaccounts on each Interest Payment Date and deposited in the Local Agency Interest Payment Account.

(5) *Surplus Account.* On the Business Day immediately following each Interest Payment Date the Trustee shall deposit in the Surplus Account all money remaining in the Revenue Fund after the deposits required by the Trust Agreement have been made. On June 30 of each year, beginning on June 30, 2014, the Trustee shall disburse the money in the Surplus Account to the Local Agency to the extent each such Local Agency's deposit of moneys, together with investment earnings thereon, if any, exceeded the deposits required by the Trust Agreement.

***Deposit and Investments of Money in Accounts and Funds.*** Subject to the Trust Agreement as summarized under the caption “TRUST AGREEMENT – COVENANTS OF THE AUTHORITY – Tax Covenants: Rebate Fund” herein, all money held by the Trustee in any of the accounts or funds established pursuant to the Trust Agreement shall be invested and reinvested in Permitted Investments at the Request of the Local Agency received not less than two (2) Business Days prior to the date of making such investment. The Trustee shall notify the Local Agency no less than two (2) Business Days prior to the date moneys held under the Trust Agreement will be available for investment, requesting that the Local Agency deliver to the Trustee a Request of the Local Agency specifying the Permitted Investments to be acquired by the Trustee with such moneys. All money held in the Reserve Fund shall be invested and reinvested in Permitted Investments with a term to maturity not exceeding five years or on the final maturity date of the Certificates, whichever date is earlier; provided, however, that if an obligation may be prepaid at par on the business day prior to each Interest Payment Date during which such obligation is outstanding, such obligation may have any maturity. All such Permitted Investments shall be valued by the Trustee not less frequently than semi-annually on each Interest Payment Date at the lower of the cost or market value thereof. The Trustee may act as a principal or agent in making or disposing of any investment.

## COVENANTS

***Compliance with Trust Agreement.*** The Trustee will not execute or deliver any Certificates in any manner other than in accordance with the provisions of the Trust Agreement; and the Local Agencies will not suffer or permit any default to occur under the Trust Agreement, but will faithfully observe and perform all the agreements, conditions, covenants and terms contained therein required to be observed and performed by them.

***Amendment of Agreements.*** The Local Agencies and the Authority will not amend or permit the amendment of the Agreements without (a)(1) a determination that such amendment does not materially adversely affect the interest of the Owners or (2) the written consents of the Owners of a majority in aggregate principal amount of the Certificates then Outstanding, and (b) an Opinion of Counsel to the effect that such amendment will not cause interest payable with respect to the Agreements to be included in gross income for federal income tax purposes; provided that no such supplement, amendment, modification or termination shall reduce the amount of 2013 Installment Sale Payments to be made to the Authority or the Trustee by any Local Agency pursuant to an Agreement, or extend the time for making such payments, or permit the creation of any lien prior to or on a parity with the lien created by such Agreement on Revenues (except as expressly provided in such Agreement), in each case without the written consent of all of the Owners of the Certificates then Outstanding.

***Against Encumbrances.*** The Authority will not make any pledge of or place any charge or lien upon the Revenues except as provided in the Trust Agreement, and will not issue any bonds, notes or obligations payable from the Revenues or secured by a pledge of or charge or lien upon the Revenues except the Certificates.

### ***Tax Covenants: Rebate Fund.***

(a) In addition to the accounts created pursuant the Trust Agreement as summarized under the caption “TRUST AGREEMENT – REVENUES – Establishment and Maintenance of Accounts for Use of Money in the Revenue Fund” herein, the Trustee shall establish and maintain a fund separate from any other fund or account established and maintained under the Trust Agreement designated as the Rebate Fund. There shall be deposited in the Rebate Fund such amounts, including the Rebate Amount, as are required to be deposited therein pursuant to each of the Tax Certificates. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement (as defined in each Tax Certificate), for payment to the United States of America. Notwithstanding the provisions of the Trust Agreement as summarized under the captions “TRUST AGREEMENT – REVENUES – Pledge of Revenues,” “-Receipt and Deposit of Revenues in the Revenue Fund” and “- Deposit and Investments of Money in Accounts and Funds,” the caption “TRUST

AGREEMENT – EVENTS OF DEFAULT AND REMEDIES OF OWNERS – Application of Funds Upon Acceleration” and the caption “TRUST AGREEMENT – DEFEASANCE – Discharge of Certificates” herein, relating to the pledge of Revenues, the allocation of money in the Revenue Fund, the investments of money in any fund or account, the application of funds upon acceleration and the defeasance of Outstanding Certificates, all amounts required to be deposited into or on deposit in the Rebate Fund shall be governed exclusively by this section and by each Tax Certificate (which is incorporated in the Trust Agreement by reference). The Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Authority, and shall have no liability or responsibility to enforce compliance by the Authority and the Local Agencies with the terms of the Tax Certificates.

(b) Any funds remaining in the Rebate Fund after prepayment and payment with respect to all of the Certificates or provision made therefor satisfactory to the Trustee, including accrued interest and payment of any applicable fees to the Trustee and satisfaction of the Rebate Requirement (as defined in the Tax Certificates), shall be withdrawn by the Trustee and remitted to or upon the written direction of the Authority.

**Accounting Records and Reports.** The Trustee shall keep proper books of record and account in accordance with industry standards in which complete and correct entries shall be made of all transactions made by the Trustee relating to the receipt, investment, disbursement, allocation and application of all funds received by the Trustee under the Trust Agreement. Such records shall specify the account or fund to which each investment (or portion thereof) held by the Trustee is to be allocated and shall set forth, in the case of each investment: (a) its purchase price; (b) identifying information, including par amount, coupon rate, and payment dates; (c) the amount received at maturity or its sale price, as the case may be; (d) the amounts and dates of any payments made with respect thereto; and (e) such documentation as is required to be obtained as evidence to establish that all investments have been purchased in arms’ length transactions with no amounts paid to reduce the yield on the investments.

Such records shall be open to inspection by the Authority and the Local Agency at any reasonable time during regular business hours on reasonable notice.

**Observance of Laws and Regulations.** The Local Agencies will faithfully observe and perform all lawful and valid obligations or regulations now or hereafter imposed on them by contract, or prescribed by any state or national law, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of each and every franchise, right or privilege now owned or hereafter acquired by them, including their right to exist and carry on their respective businesses, to the end that such observance or performance is material to the transactions contemplated.

**Further Assurances.** Whenever and so often as reasonably requested to do so by the Trustee, any Owner, the Local Agencies will promptly execute and deliver or cause to be executed and delivered all such other and further assurances, documents or instruments, and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the Owners all rights, interests, powers, benefits, privileges and advantages conferred or intended to be conferred upon them.

**Recordation and Filing.** The Local Agency will file, record, register, renew, refile and rerecord all such documents, including financing statements (or continuation statements in connection therewith), as may be required by law in order to maintain at all times a security interest in the Agreements under and pursuant to the Trust Agreement, all in such manner, at such times and in such places as may be required in order to fully perfect, preserve and protect the benefit, protection and security of the Owners and the rights of the Trustee under the Trust Agreement, and the Local Agencies will do whatever else may be necessary or be reasonably required in order to perfect and continue the pledge of and lien on the Agreements as provided in the Trust Agreement.

**Acquisition of the Projects.** Subject to and as provided in the Agreement, the Authority will cause to be acquired and constructed the Projects with all practicable dispatch and such acquisition will be made in an expeditious manner and in conformity with the law so as to complete the same as soon as possible.

## THE TRUSTEE

*The Trustee.* Wells Fargo Bank, National Association shall serve as the Trustee for the Certificates for the purpose of receiving all money which the Authority and the Local Agencies are required to deposit with the Trustee under the Trust Agreement and for the purpose of allocating, applying and using such money as provided in the Trust Agreement and for the purpose of paying the interest, principal and prepayment premiums, if any, evidenced and represented by the Certificates presented for payment in Los Angeles, California, with the rights and obligations provided in the Trust Agreement. The Authority agrees that it will at all times maintain a Trustee having a designated office in San Francisco or Los Angeles, California.

The Authority may at any time, unless there exists any event of default as defined in the Trust Agreement as summarized under the caption "TRUST AGREEMENT – EVENTS OF DEFAULT AND REMEDIES OF OWNERS – Events of Default and Acceleration of Maturities" herein, remove the Trustee initially appointed and any successor thereto and may appoint a successor or successors thereto by an instrument in writing; provided that any such successor shall (i) be a bank or trust company doing business and having a principal office in San Francisco or Los Angeles, California, (ii) have (or in the case of a bank or trust company which is part of a bank holding company system, the related bank holding company shall have) a combined capital (exclusive of borrowed capital) and surplus of at least seventy-five million dollars (\$75,000,000) and (iii) be subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The Trustee may at any time resign by giving written notice of such resignation to the Authority and by mailing to the Owners notice of such resignation. Upon receiving such notice of resignation, the Authority shall promptly appoint a successor Trustee by an instrument in writing. Any removal or resignation of a Trustee and appointment of a successor Trustee shall become effective only upon the acceptance of appointment by the successor Trustee. If, within thirty (30) days after notice of the removal or resignation of the Trustee no successor Trustee shall have been appointed and shall have accepted such appointment, the removed or resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, which court may thereupon, after such notice, if any, as it may deem proper and prescribe and as may be required by law, appoint a successor Trustee having the qualifications required.

The Trustee is authorized to prepay the Certificates when duly presented for payment on their respective Certificate Payment Dates or on prior prepayment. The Trustee shall cancel all Certificates upon payment thereof or upon the surrender thereof by the Authority and shall destroy such Certificates it has received in accordance with its retention policy then in effect. The Trustee shall keep accurate records of all Certificates paid and discharged and canceled by it.

The Authority, solely from amounts held in the Costs of Issuance Fund or paid by the Local Agencies specifically for such purpose, shall from time to time, subject to any agreement between the Authority and the Trustee then in force, pay to the Trustee compensation for its services, reimburse the Trustee for all its advances and expenditures including but not limited to advances to and fees and expenses of independent accountants and in-house and other counsel or other experts employed by it and reasonably required in the exercise and performance of its rights and obligations under the Trust Agreement, and, to the extent permitted by law, indemnify and hold the Trustee and its officers, directors, employees and agents harmless against any claim, loss, liability, damages, expenses (including legal fees and expenses) or advances not arising from the Trustee's own active or passive negligence, willful misconduct or breach of fiduciary duty, which the Trustee may incur in the exercise and performance of its rights and obligations under the Trust Agreement. The obligations of the Authority under this paragraph to compensate, indemnify, reimburse and hold the Trustee harmless shall constitute additional indebtedness under the Trust Agreement, and such indebtedness shall have priority over the Certificates in respect of all property and funds held or collected by the Trustee as such, except funds held in trust by the Trustee for the benefit of the Owners of particular Certificates, including, without limitation, funds held by the Trustee in trust to prepay all or a portion of Outstanding Certificates prior to their respective Certificate Payment Dates for which a notice of prepayment has been sent as provided in the Trust Agreement.

***Liability of Trustee.*** The recitals of facts, agreements and covenants in the Trust Agreement and in the Certificates shall be taken as recitals of facts, agreements and covenants of the Authority, and the Trustee assumes no responsibility for the use of any proceeds of the Certificates, the correctness of the same, the collection of the Revenues or makes any representation as to the sufficiency or validity of the Trust Agreement, of the Certificates or any security therefor or any offering material distributed in connection with the Certificates and shall not incur any responsibility in respect thereof other than in connection with the rights or obligations assigned to or imposed upon it in the Trust Agreement, in the Certificates or in law or equity. The Trustee shall not be liable in connection with the performance of its duties under the Trust Agreement except for its own negligence, willful misconduct or breach of fiduciary duty.

The Trustee shall not be bound to recognize any person as the Owner of a Certificate unless and until such Certificate is submitted for inspection, if required, and such Certificate is registered in such person's name.

Whenever the Trustee shall deem it necessary or desirable that a factual or legal matter be established or proved prior to taking or suffering any action under the Trust Agreement, such matter (unless other evidence in respect thereof be specifically prescribed in the Trust Agreement) may, in the absence of bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a certificate conforming to the requirements in the Trust Agreement or an opinion of counsel, which certificate or opinion shall be full warrant to the Trustee for any action taken or suffered under the provisions of the Trust Agreement upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

In accepting the trust created, the Trustee acts solely as Trustee for the Owners and not in its individual capacity and all persons, including without limitation the Owners, the Authority and the Local Agencies, having any claim against the Trustee arising from the Trust Agreement not attributable to the Trustee's negligence or willful misconduct shall look only to the funds and accounts held by the Trustee under the Trust Agreement for payment except as otherwise provided in the Trust Agreement. The duties and obligations of the Trustee shall be determined solely by the express provisions of the Trust Agreement, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in the Trust Agreement, and no implied covenants or obligations (fiduciary or otherwise) shall be read into the Trust Agreement against the Trustee. The Trustee shall not be liable with respect to any action taken or not taken under the Trust Agreement in good faith in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Certificates at the time Outstanding. The Trustee shall, during the existence of any event of default (which has not been cured), exercise such of the rights and powers vested in it by the Trust Agreement, and use the same degree of care and skill in their exercise, as a prudent person would exercise of use under the circumstances in the conduct of its own affairs. The permissive right of the Trustee to do things enumerated in the Trust Agreement shall not be construed as a duty and it shall not be answerable for other than its negligence or willful misconduct. The immunities and exceptions from liability of the Trustee shall extend to its officers, directors, employees and agents and such immunities and exceptions and its right to payment of its fees and expenses shall survive its resignation or removal and the final payment and defeasance of the Certificates. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Certificates. The Trustee, in its individual or any other capacity, may become the Owner of any Certificates or other obligations of any party to the Trust Agreement with the same rights which it would have if not the Trustee. At any and all reasonable times, the Trustee, and its agents shall have the right to fully inspect the Projects, including all books, papers and records of the Local Agencies pertaining to the Projects and the Certificates, and to take such memoranda therefrom and with regard thereto and make photocopies thereof as may be desired. The Trustee shall not be required to give any bond or surety in respect of the execution of said trusts and powers or otherwise in respect of the premises. Before taking or refraining from any action under the Trust Agreement at the request or direction of the Owners, the Trustee may require that an indemnity bond satisfactory to the Trustee be furnished to it and be in full force and effect.

None of the provisions contained in the Trust Agreement or in the Agreements shall require the Trustee to expend or risk its own funds or continue to do so or otherwise incur individual financial liability in the performance of any of its duties or in the exercise of any of its rights or powers if it shall reasonably believe that repayment of such funds or adequate indemnity against such risk or liability is not assured to it. The Trustee may rely and shall be protected in acting or failing to act upon any paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee shall not be required to take notice or be deemed to have

notice of any Event of Default under the Trust Agreement except failure by the Local Agencies to make any payment of principal or interest under the Agreements when due, unless the Trustee shall be specifically notified in writing at its corporate trust office of such default by the Owners of not less than 25% of the aggregate principal amount of Certificates then Outstanding. Notwithstanding any other provision of the Trust Agreement, the Trustee shall have the right, but shall not be required, to demand any showings, certificates, opinions, appraisals or other information, or official action or evidence thereof, required as a condition of such action deemed by the Trustee to be desirable for the purpose of establishing the rights of the Trustee with respect to the authentication of any Certificates, the withdrawal of any cash, the release of any property or the taking of any other action by the Trustee.

#### **AMENDMENT OF THE TRUST AGREEMENT**

***Amendment of the Trust Agreement.*** The Trust Agreement and the rights and obligations of the Authority, the Local Agencies, the Trustee and the Owners may be amended at any time by a Supplemental Trust Agreement which shall become binding when the written consents of the Owners of a majority in aggregate principal amount evidenced and represented by the Certificates then Outstanding, exclusive of Certificates disqualified as provided in the Trust Agreement as summarized under the caption “TRUST AGREEMENT – AMENDMENT OF THE TRUST AGREEMENT – Disqualified Certificates” herein, are filed with the Trustee. No such amendment shall (1) extend the Certificate Payment Date of or reduce the interest rate on or amount of interest or principal or prepayment premium, if any, evidenced and represented by any Certificate without the express written consent of the Owner of such Certificate, or (2) permit the creation by the Authority of any pledge of or charge or lien upon the Revenues as provided in the Trust Agreement superior to or on a parity with the pledge, charge and lien created under the Trust Agreement for the benefit of the Certificates, or (3) reduce the percentage of Certificates required for the written consent to any such amendment or any amendment of an Agreement pursuant to the Trust Agreement, or (4) modify any rights or obligations of the Trustee, the Authority or the Local Agencies without their prior written assent thereto, respectively.

The Trust Agreement and the rights and obligations of the Authority, the Local Agencies and of the Owners may also be amended at any time by a Supplemental Trust Agreement which shall become binding upon adoption without the consent of any Owners, but only to the extent permitted by law and after receipt of an approving Opinion of Counsel, for any purpose that will not in the judgment of the Trustee materially adversely affect the interests of the Owners, including (without limitation) for any one or more of the following purposes –

(a) to add to the agreements and covenants required in the Trust Agreement to be performed by the Authority other agreements and covenants thereafter to be performed by the Authority or the Local Agencies, or to surrender any right or power reserved in the Trust Agreement to or conferred in the Trust Agreement on the Authority or the Local Agencies;

(b) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained in the Trust Agreement or in regard to questions arising under the Trust Agreement which the Authority or the Local Agencies may deem desirable or necessary and not inconsistent with the Trust Agreement;

(c) to add to the agreements and covenants required in the Trust Agreement, such agreements and covenants as may be necessary to qualify the Trust Agreement under the Trust Indenture Act of 1939; or

(d) for any other purpose that does not materially adversely affect the interests of the Owners.

***Disqualified Certificates.*** Certificates owned or held by or for the account of the Authority or the Local Agencies shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Certificates under the Trust Agreement.

#### **EVENTS OF DEFAULT AND REMEDIES OF OWNERS**

***Events of Default.*** If any default in the payment of 2013 Installment Sale Payments or any other “Event of Default” defined in an Agreement shall occur and be continuing, or if any default shall be made by the Local

Agency in the performance or observance of any other of the covenants, agreements or conditions on its part contained in the Trust Agreement and such default shall have continued for a period of thirty (30) days after written notice thereof shall have been given to the Local Agency by the Trustee or the Owners of not less than a majority in aggregate principal amount evidenced and represented by the Certificates at the time Outstanding, then such default shall constitute an "Event of Default" under the Trust Agreement, and in each and every such case during the continuance of such Event of Default the Trustee or the Owners of not less than a majority in aggregate principal amount evidenced and represented by the Certificates at the time Outstanding shall be entitled, upon notice in writing to the Local Agency, but subject to the provisions of the Trust Agreement, to exercise the remedies provided under the Agreement then in default which are necessary or desirable to collect such Local Agency's 2013 Installment Sale Payments. No grace period shall be permitted for payment defaults.

The Owners of Certificates, for purposes of the Trust Agreement and the Agreement of the Local Agency, to the extent of their interest, shall be entitled to all rights and security of the Authority pursuant to the Agreement and the Trust Agreement. The Local Agency recognizes the rights of the Owners of the Certificates, acting directly or through the Trustee, to enforce the obligations and covenants contained in the Agreements and the Trust Agreement; provided that in no event shall an Local Agency be liable for any obligations, covenants or damages except those which arise out of the Agreements, and, in particular, no Local Agency shall be liable for any obligations, liabilities, acts or omissions of any other Local Agency.

***Application of Funds Upon Acceleration of Agreement.*** All moneys received by the Trustee pursuant to any right given or action taken under the provisions of the Trust Agreement shall be deposited into a segregated payment account of the Revenue Fund relating to each, if any, defaulting Local Agency's Agreement and be applied by the Trustee in the following order; provided that the Trustee shall obtain and follow the instructions contained in an Opinion of Counsel and rebate or set aside for rebate from the specified funds held under the Trust Agreement, any amount pursuant to such instructions required to be paid to the United States of America under the Code:

First, to the payment of the costs and expenses of the Trustee, if any, in carrying out the provisions of the Trust Agreement, including reasonable compensation to its agents, accountants and counsel and including any indemnification expenses; and

Second, to the payment of the principal and interest payable with respect to the Certificates, in connection with a mandatory prepayment of Certificates pursuant to the Trust Agreement and the delivery of a Cash Flow Report.

***Other Remedies of the Trustee.*** The Trustee shall have the right

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights under the Trust Agreement against any Local Agency or any supervisor, council member, board member, trustee, member, officer or employee thereof, and to compel such Local Agency or any such supervisor, council member, board member, trustee, member, officer or employee thereof to observe or perform its or his or her duties under applicable law and the agreements, conditions, covenants and terms contained in the Trust Agreement, or in the applicable Agreement, required to be observed or performed by it or him or her;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Trustee or the Owners; or

(c) by suit in equity upon the happening of any default under the Trust Agreement to require any Local Agency and any supervisor, council member, board member, trustee, member, officer and employee to account as the trustee of any express trust.

***Non-Waiver.*** A waiver by the Trustee of any default under the Trust Agreement or breach of any obligation under the Trust Agreement shall not affect any subsequent default under the Trust Agreement or any subsequent breach of an obligation under the Trust Agreement or impair any rights or remedies on any such subsequent default under the Trust Agreement or on any such subsequent breach of an obligation under the Trust Agreement. No delay or omission by the Trustee to exercise any right or remedy accruing upon any default under

the Trust Agreement shall impair any such right or remedy or shall be construed to be a waiver of any such default under the Trust Agreement or an acquiescence therein, and every right or remedy conferred upon the Trustee by applicable law or by the Trust Agreement may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee.

If any action, proceeding or suit to enforce any right or to exercise any remedy is abandoned or determined adversely to the Trustee or the Local Agencies, the Trustee and the Local Agencies shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

***Actions by Trustee as Attorney-in-Fact.*** Any action, proceeding or suit which any Owner shall have the right to bring to enforce any right or remedy under the Trust Agreement may be brought by the Trustee for the equal benefit and protection of all Owners, whether or not the Trustee is a Owner, and the Trustee is appointed (and the successive Owners, by taking and holding the Certificates executed and delivered under the Trust Agreement, shall be conclusively deemed to have so appointed it) the true and lawful attorney-in-fact of the Owners for the purpose of bringing any such action, proceeding or suit and for the purpose of doing and performing any and all acts and things for and on behalf of the Owners as a class or classes as may be advisable or necessary in the opinion of the Trustee as such attorney-in-fact.

***Remedies Not Exclusive.*** No remedy conferred upon or reserved to the Owners in the Trust Agreement is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given under the Trust Agreement or now or hereafter existing at law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law. If any remedial action under the Trust Agreement is discontinued or abandoned, the Trustee and the Owners shall be restored to their former positions.

***Limitation on Owners' Right to Sue.*** No Owner of any Certificate executed and delivered under the Trust Agreement shall have the right to institute any suit, action or proceeding at law or equity, for any remedy under or upon the Trust Agreement, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an event of default as defined in the Trust Agreement as summarized under the caption "TRUST AGREEMENT – EVENTS OF DEFAULT AND REMEDIES OF OWNERS – Events of Default and Acceleration of Maturities" herein; (b) the Owners of at least a majority in aggregate principal amount of all the Certificates then Outstanding shall have made written request upon the Trustee to exercise the powers granted in the Trust Agreement or to institute such suit, action or proceeding in its own name; (c) said Owners shall have tendered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such request and consent shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, consent, tender of indemnity and refusal or omission are declared, in every case, to be conditions precedent to the exercise by any owner of Certificates of any remedy under the Trust Agreement; it being understood and intended that no one or more owners of Certificates shall have any right in any manner whatever by his or their action to enforce any right under the Trust Agreement, except in the manner provided in the Trust Agreement, and that all proceedings at law or in equity to enforce any provision of the Trust Agreement shall be instituted, had and maintained in the manner provided in the Trust Agreement and for the equal benefit of all Owners of the Outstanding Certificates.

***Limited Liability of the Local Agencies.*** Except as expressly provided in the Agreements, the Local Agencies shall not have any obligation or liability to the Authority, the Trustee or the Owners, with respect to the Trust Agreement or the preparation, execution, delivery, transfer, exchange or cancellation of the Certificates or the receipt, deposit or disbursement of the principal and interest payable with respect to the Agreements by the Trustee, or with respect to the performance by the Trustee of any obligation under the Trust Agreement required to be performed by it.

Notwithstanding anything to the contrary in the Trust Agreement or in any Agreement, no Local Agency shall incur any obligation on account of any default, action or omission of any other Local Agency.

**Limited Liability of the Authority.** Except as expressly provided in the Trust Agreement, the Authority shall not have any obligation or liability to the Trustee or the Owners, with respect to the payment when due of the 2013 Installment Sale Payments by the Local Agencies, or with respect to the observance or performance by the Local Agencies of the other agreements, conditions, covenants and terms contained in the Agreements, or with respect to the performance by the Trustee of any obligation contained in the Trust Agreement required to be performed by it. Notwithstanding anything to the contrary contained in the Certificates, the Trust Agreement or any other document related thereto, the Authority shall not have any liability under the Trust Agreement or by reason thereof or in connection with any of the transactions contemplated except to the extent payable from moneys received from or with respect to the Agreements and available thereof in accordance with the Trust Agreement.

In such event, the Trustee shall execute and deliver to the Authority all such instruments as may be necessary or desirable to evidence such discharge and satisfaction and the Trustee shall pay over or deliver to the Authority all money or securities held by it pursuant to the Trust Agreement which are not required for the payment of the interest and principal and prepayment premiums, if any, evidenced and represented by such Certificates.

(b) Any Outstanding Certificates shall prior to the maturity date or prepayment date thereof be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this section if (1) in case any of such Certificates are to be prepaid on any date prior to their respective Certificate Payment Dates, the Authority shall have given to the Trustee in form satisfactory to it irrevocable instructions to provide notice in accordance with the Trust Agreement, (2) there shall have been deposited with the Trustee either (A) money in an amount which shall be sufficient or (B) Defeasance Obligations, in each case the interest on and principal of which when paid will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient, in the opinion of an Independent Certified Public Accountant, to pay when due the interest to become due with respect to such Certificates on and prior to the Certificate Payment Date or prepayment date thereof, as the case may be, and the principal and prepayment premiums, if any, evidenced and represented by such Certificates, and (2) in the event such Certificates are not by their terms subject to prepayment within the next succeeding sixty (60) days, the Authority shall have given the Trustee in form satisfactory to it irrevocable instructions to mail as soon as practicable, a notice to the Owners of such Certificates that the deposit required by clause (2) above has been made with the Trustee and that such Certificates are deemed to have been paid in accordance with this section and stating the Certificate Payment Date or prepayment date upon which money is to be available for the payment of the principal and prepayment premiums, if any, with respect to such Certificates. In addition, the Authority shall cause to be delivered (i) a report of an Independent Certified Public Accountant or such other accountant as shall be acceptable to the Insurer verifying the sufficiency of the escrow established to pay the Certificates in full on the maturity or prepayment date ("Verification"), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Certificates are no longer "Outstanding" under the Trust Agreement, and (iv) a certificate of discharge of the Trustee with respect to the Certificates; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Authority and Trustee.

**Unclaimed Money.** Anything contained in the Trust Agreement to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of any of the Certificates which remains unclaimed for two (2) years after the date when such Certificates have become due and payable, either at their stated Certificate Payment Dates or by call for prepayment prior to such dates, if such money was held by the Trustee at such date, or for two (2) years after the date of deposit of such money if deposited with the Trustee after the date when such Certificates have become due and payable, shall be repaid by the Trustee to the Authority as its absolute property free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Owners shall

not look to the Trustee for the payment of such Certificates. Any moneys held by the Trustee in trust for the payment and discharge of any Certificates shall not bear interest or be otherwise invested from and after such Certificate Payment Date or prepayment date.

## **PROVISIONS RELATED TO THE INSURER AND THE INSURANCE POLICY**

### ***General Provisions.***

(a) The prior written consent of the Insurer shall be a condition precedent to the deposit of any Qualified Reserve Instrument provided in lieu of a cash deposit into the Reserve Fund. Notwithstanding anything to the contrary set forth in the Trust Agreement, amounts on deposit in the Reserve Fund shall be applied solely to the payment of principal and interest due on the Certificates.

(b) The Insurer shall be deemed to be the sole Owner of the insured Certificates for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of the Certificates insured by it are entitled to take pursuant to the Trust Agreement pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Trustee.

(c) The Certificates shall not be accelerated without the consent of the Insurer and in the event the Certificates are accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the date of acceleration (to the extent unpaid) and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date, the Insurer's obligations under the Insurance Policy with respect to the Certificates shall be fully discharged.

(d) The Insurer is a third party beneficiary of the Trust Agreement.

(e) Upon the occurrence of an optional or mandatory prepayment in part pursuant to the Trust Agreement, the selection of Certificates to be prepaid shall be subject to the approval of the Insurer. The exercise of any provision of the Trust Agreement which permits the purchase of Certificates in lieu of prepayment shall require the prior written approval of the Insurer if any Certificate so purchased is not cancelled upon purchase.

(f) Any amendment, supplement, modification to, or waiver of, the Trust Agreement or any other transaction document, including the Agreement and any underlying security agreement (each a "Related Document"), that requires the consent of Owners or adversely affects the rights and interests of the Insurer is subject to the prior written consent of the Insurer.

(g) Unless the Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Acquisition Fund shall not be disbursed, but shall instead be applied to the payment of principal and interest due with respect to the Certificates or prepayment price of the Certificates.

(h) The rights granted to the Insurer under the Trust Agreement or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Owners and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Owners or any other person is required in addition to the consent of the Insurer.

(i) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Trust Agreement and the Certificates relating to such payments shall remain Outstanding and continue to be due and owing until paid in accordance with the Trust Agreement. The Trust Agreement shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.

(j) Each of the Authority and Trustee covenant and agree to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Revenues under the Trust Agreement.

(k) Notwithstanding satisfaction of the other conditions to the issuance of Additional Certificates set forth in the Trust Agreement, no such issuance may occur (1) if an Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) exists unless such default shall be cured upon such issuance and (2) unless the Reserve Fund is fully funded at the Reserve Fund Requirement (including the proposed issue) upon the issuance of such Additional Certificates, in either case unless otherwise permitted by the Insurer.

(l) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Trust Agreement would adversely affect the security for the Certificates or the rights of the Owners, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

(m) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Certificates may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

(n) Any interest rate exchange agreement (“Swap Agreement”) entered into by the Local Agency shall meet the following conditions: (i) the Swap Agreement must be entered into to manage interest costs related to, or a hedge against (a) assets then held, or (b) debt then outstanding, or (iii) debt reasonably expected to be issued within the next twelve (12) months, and (ii) the Swap Agreement shall not contain any leverage element or multiplier component greater than 1.0x unless there is a matching hedge arrangement which effectively off-sets the exposure from any such element or component. Unless otherwise consented to in writing by the Insurer, any uninsured net settlement, breakage or other termination amount then in effect shall be subordinate to payment by the Local Agency of the 2013 Installment Payments and on any debt on parity with such payments. The Local Agency shall not terminate a Swap Agreement unless it demonstrates to the satisfaction of the Insurer prior to the payment of any such termination amount that such payment will not cause the Local Agency to be in default under the Related Documents, including but not limited to, any monetary obligations thereunder. All counterparties or guarantors to any Swap Agreement must have a rating of at least “A-” and “A3” by Standard & Poor’s (“S&P”) and Moody’s Investors Service (“Moody’s”). If the counterparty or guarantor’s rating falls below “A-” or “A3” by either S&P or Moody’s, the counterparty or guarantor shall execute a credit support annex to the Swap Agreement, which credit support annex shall be acceptable to the Insurer. If the counterparty or the guarantor’s long term unsecured rating falls below “Baa1” or “BBB+” by either Moody’s or S&P, a replacement counterparty or guarantor, acceptable to the Insurer, shall be required.

#### ***Claims Upon the Insurance Policy and Payments by and to the Insurer***

(a) If, on the third Business Day prior to the related scheduled Interest Payment Date or Certificate Payment Date (each, a “Payment Date”) there is not on deposit with the Trustee, after making all transfers and deposits required under the Trust Agreement, moneys sufficient to pay the principal and interest evidenced by the Certificates due on such Payment Date, the Trustee shall give notice to the Insurer and to its designated agent (if any) (the “Insurer’s Fiscal Agent”) by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal and interest evidenced by the Certificates due on such Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer’s Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest evidenced by the Certificates and the amount required to pay principal evidenced by the Certificates, confirmed in writing to the Insurer and the Insurer’s Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Trustee shall designate any portion of payment of principal evidenced by the Certificates paid by the Insurer, whether by virtue of mandatory sinking fund prepayment, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Certificates registered to the then current Owner, whether DTC or its nominee or otherwise, and shall issue a replacement Certificate to the Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Certificate shall have no effect on the amount of principal or interest payable with respect to any Certificate or the subrogation rights of the Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest and principal with respect to any Certificate. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Owners referred to in the Trust Agreement as the "Policy Payments Account" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of Owners and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Owners in the same manner as principal and interest payments are to be made with respect to the Certificates under the sections of the Trust Agreement regarding payment of Certificates. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, subject to the provisions of the Trust Agreement as summarized under the caption "TRUST AGREEMENT – EVENTS OF DEFAULT AND REMEDIES OF OWNERS – Limited Liability of the Authority" herein, the Authority agrees to pay to the Insurer, solely from Revenues, (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the "Insurer Advances"); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"). "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest with respect to the Certificates and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. Subject to the provisions of the Trust Agreement as summarized under the caption "TRUST AGREEMENT – EVENTS OF DEFAULT AND REMEDIES OF OWNERS – Limited Liability of the Authority" herein, the Authority covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Revenues and payable from the Revenues on a parity with debt service due on the Certificates.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Certificate payment date shall promptly be remitted to the Insurer.

(b) The Insurer shall, to the extent it makes any payment of principal of or interest on the Certificates, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy. Each obligation of the Authority and the Local Agency to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.

(c) The Local Agency shall pay or reimburse the Insurer any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of

any remedies under the Trust Agreement or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Trust Agreement or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Trust Agreement or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Trust Agreement or any other Related Document.

(d) The Insurer shall be entitled to pay principal or interest evidenced by the Certificates that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Insurance Policy) and any amounts due on the Certificates as a result of acceleration of the maturity thereof in accordance with the Trust Agreement, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.

## MISCELLANEOUS

***Liability of Authority Limited to Revenues.*** The Certificates are limited obligations of the Authority and are payable, as to interest, principal and any premiums upon the prepayment of any thereof, solely from the Revenues as provided in the Trust Agreement, and the Authority is not obligated to pay them except from the Revenues. All the Certificates are equally secured by a pledge of and charge and lien upon the Revenues, and the Revenues constitute a trust fund for the security and payment of the interest, principal and prepayment premiums, if any, with respect to the Certificates as provided in the Trust Agreement. The Certificates are not a debt of the Authority, the Local Agencies, the State of California or any of its political subdivisions, and neither the Authority, the Local Agencies, said State nor any of its political subdivisions is liable thereon, nor in any event shall the Certificates be payable out of any funds or properties other than those of the Authority as provided in the Trust Agreement. The Certificates do not constitute an indebtedness within the meaning of any constitutional or statutory limitation or restriction.

***Benefits of the Trust Agreement Limited to Parties.*** Nothing contained in the Trust Agreement, expressed or implied, is intended to give to any person other than the Local Agencies, the Authority, the Trustee, the Insurer and the Owners any right, remedy or claim under or by reason of the Trust Agreement. Any agreement or covenant required in the Trust Agreement to be performed by or on behalf of the Local Agencies or the Authority shall be for the sole and exclusive benefit of the Trustee, the Authority, the Insurer and the Owners.

***Successor Is Deemed Included In All References To Predecessor.*** Whenever either the Local Agencies, the Authority, or the Trustee or any officer thereof is named or referred to in the Trust Agreement, such reference shall be deemed to include the successor to the powers, duties and functions that are presently vested in the Local Agencies, the Authority or the Trustee or such officer, and all agreements, conditions, covenants and terms contained therein required to be observed or performed by or on behalf of the Local Agencies, the Authority or the Trustee or any officer thereof shall bind and inure to the benefit of the respective successors thereof whether so expressed or not.

***Execution of Documents by Owners.*** Any declaration, request or other instrument which is permitted or required in the Trust Agreement to be executed by Owners may be in one or more instruments of similar tenor and may be executed by Owners in person or by their attorneys appointed in writing. The fact and date of the execution by any Owner or his attorney of any declaration, request or other instrument or of any writing appointing such attorney may be proved by the certificate of any notary public or other officer authorized to make acknowledgments of deeds to be recorded in the state or territory in which he purports to act that the person signing such declaration, request or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution duly sworn to before such notary public or other officer. The ownership of any Certificates and the amount, maturity, number and date of holding the same may be proved by the registration books relating to the Certificates at the office of the Trustee.

Any declaration, request or other instrument or writing of the Owner of any Certificate shall bind all future Owners of such Certificate with respect to anything done or suffered to be done by the Local Agencies, the Authority or the Trustee in good faith and in accordance therewith.

***Waiver of Personal Liability; No Liability of Authority Members.*** No member, officer or employee of the Authority or any Local Agencies shall be individually or personally liable for the payment of the interest, principal or prepayment premiums, if any, with respect to the Certificates by reason of their execution and delivery, but nothing in the Trust Agreement contained shall relieve any such member, officer or employee from the performance of any official duty provided by any applicable provisions of law, the Agreements or the Trust Agreement.

Notwithstanding anything to the contrary in the Trust Agreement or in any other document, no entity that is a program participant of the Authority, its supervisors, councilmembers, trustees, officers, directors, employees, and agents, shall have any liability of any kind under the Trust Agreement or by reason of or in connection with any of the transactions contemplated, other than with respect to a program participant of the Authority in its capacity as the Local Agency under the Trust Agreement.

***Acquisition of Certificates by Authority.*** All Certificates acquired by the Authority, whether by purchase or gift or otherwise, shall be surrendered to the Trustee for cancellation.

***Destruction of Canceled Certificates.*** Whenever provision is made in the Trust Agreement for the cancellation of any Certificates, the Trustee shall destroy such Certificates in accordance with its retention policy then in effect.

***Content of Certificates; Post-Issuance Legal Opinions.*** Every Certificate of the Authority or any Local Agency with respect to compliance with any agreement, condition, covenant or term contained in the Trust Agreement shall include: (a) a statement that the person or persons executing such certificate have read such agreement, condition, covenant or term and the definitions in the Trust Agreement relating thereto; (b) a brief statement as to the nature and scope of the examination or investigation upon which the statements contained in such certificate are based; (c) a statement that, in the opinion of the signers, they have made or caused to be made such examination or investigation as is necessary to enable them to express an informed opinion as to whether or not the Local Agency or the Authority has complied with such agreement, condition, covenant or term; and (d) a statement as to whether, in the opinion of the signers, the Local Agency or the Authority has complied with such agreement, condition, covenant or term.

Any Certificate of the Authority or any Local Agency may be based, insofar as it relates to legal matters, upon an Opinion of Counsel unless the person or persons executing such certificate know that the Opinion of Counsel with respect to the matters upon which his or their certificate may be based, as aforesaid, is erroneous, or in the exercise of reasonable care should have known that the same was erroneous. Any Opinion of Counsel may be based, insofar as it relates to factual matters and information with respect to which is in the possession of the Local Agency or the Authority, upon a representation by an officer or officers of the Local Agency or the Authority unless the counsel executing such Opinion of Counsel knows that the representation with respect to the matters upon which his opinion may be based, as aforesaid, is erroneous, or in the exercise of reasonable care should have known that the same was erroneous.

***Publication for Successive Weeks.*** Any publication required to be made under the Trust Agreement for successive weeks in a Financial Newspaper may be made in each instance upon any Business Day of the first week and need not be made on the same Business Day of any succeeding week or in the same Financial Newspaper for any subsequent publication, but may be made on different Business Days or in different Financial Newspapers, as the case may be.

***Accounts and Funds; Business Days.*** Any account or fund required in the Trust Agreement to be established and maintained by the Trustee may be established and maintained in the accounting records of the Trustee either as an account or a fund, and may, for the purposes of such accounting records, any audits thereof and any reports or statements with respect thereto, be treated either as an account or a fund; but all such records with respect to all such accounts and funds shall at all times be maintained in accordance with the requirements of the Trust Certificates and sound accounting practice and with due regard for the protection of the security of the

Certificates and the rights of the Owners. Any action required to occur under the Trust Agreement on a day which is not a Business Day shall be required to occur on the next succeeding Business Day.

***Partial Invalidity.*** If any one or more of the agreements or covenants or portions thereof required under the Trust Agreement to be performed by or on the part of the Local Agencies, the Authority or the Trustee shall be contrary to law, then such agreement or agreements, such covenant or covenants or such portions thereof shall be null and void and shall be deemed separable from the remaining agreements and covenants or portions thereof and shall in no way affect the validity of the Trust Agreement or of the Certificates, and the Owners shall retain all the benefit, protection and security afforded to them under the Act or any other applicable provisions of law. The Local Agencies, the Authority and the Trustee declare that they would have executed and delivered the Trust Agreement and each and every other article, section, paragraph, subdivision, sentence, clause and phrase of the Trust Agreement and would have authorized the execution and delivery of the Certificates pursuant to the Trust Agreement irrespective of the fact that any one or more articles, sections, paragraphs, subdivisions, sentences, clauses or phrases of the Trust Agreement or the application thereof to any person or circumstance may be held to be unconstitutional, unenforceable or invalid.

## **INSTALLMENT SALE AGREEMENT**

### **THE PROJECT**

***Design, Acquisition, Construction and Sale of the Project.*** The Authority agrees to cause the design, acquisition and construction of the Project for, and to sell the Project to, the Local Agency, and the Local Agency agrees to transfer whatever real or personal property interest it may possess which may be required in order for the Authority to cause such design, acquisition and construction of the Project. In order to implement this provision, the Authority appoints the Local Agency as its agent for the purpose of such design, acquisition and construction, and the Local Agency agrees to enter into such engineering, design and construction contracts and purchase orders as may be necessary, as agent for the Authority, to provide for the complete design, acquisition and construction of the Project. The Local Agency agrees that as such agent it will cause the acquisition and construction of the Project to be diligently completed. The Authority agrees to sell, and sells, the Project to the Local Agency. The Local Agency agrees to purchase, and purchases, the Project from the Authority. Notwithstanding the foregoing, it is expressly understood and agreed that the Authority shall be under no liability of any kind or character whatsoever for the payment of any costs or expenses incurred by the Local Agency (whether as agent for the Authority or otherwise) for the acquisition and construction of the Project and that all such costs and expenses shall be paid by the Local Agency, regardless of whether the funds deposited in the Proceeds Subaccount of the Acquisition Fund are sufficient to cover all such costs.

### **2013 INSTALLMENT SALE PAYMENTS; ADMINISTRATION FEE**

***Purchase Price and Administration Fee.*** The Purchase Price to be paid by the Local Agency to the Authority under the 2013 Installment Sale Agreement is the sum of the principal amount of the Local Agency's obligation under the 2013 Installment Sale Agreement plus the interest to accrue on the unpaid balance of such principal amount from the date of the 2013 Installment Sale Agreement over the term of the 2013 Installment Sale Agreement, subject to prepayment as provided in the 2013 Installment Sale Agreement as summarized under the caption "INSTALLMENT SALE AGREEMENT – 2013 Installment Sale Payments; ADMINISTRATION FEE -- Prepayment of 2013 Installment Sale Payments" herein.

The interest to accrue on the unpaid balance of such principal amount shall be paid by the Local Agency as and shall constitute interest paid on the principal amount of the Local Agency's Purchase Price obligation under the 2013 Installment Sale Agreement.

***Payment of 2013 Installment Sale Payments and Administration Fee.*** The Local Agency shall, subject to prepayment as provided in the 2013 Installment Sale Agreement as summarized under the caption "INSTALLMENT SALE AGREEMENT – 2013 Installment Sale Payments; ADMINISTRATION FEE -- Prepayment of 2013 Installment Sale Payments" herein, pay the Authority or the Trustee, as appropriate, (i) the Purchase Price, without offset or deduction of any kind, by paying the principal installments of the 2013 Installment Sale Payments, which principal installments shall be due annually on each Certificate Payment Date, (ii) the interest

installments of the 2013 Installment Sale Payments, which interest installments shall be due semiannually on each Interest Payment Date and (iii) the Administration Fee which shall be due annually on each Certificate Payment Date. The 2013 Installment Sale Payment and the Administration Fee shall be payable on and shall be required to be deposited with the Trustee on or before the fifteenth day of the calendar month immediately preceding its due date.

The obligation of the Local Agency to pay the Purchase Price by paying the 2013 Installment Sale Payments and the Administration Fee is, subject to the 2013 Installment Sale Agreement as summarized under the caption "INSTALLMENT SALE AGREEMENT – MISCELLANEOUS – Liability of Local Agency Limited to Revenues" herein, absolute and unconditional, and until such time as the 2013 Installment Sale Payments shall have been paid in full (or provision for the payment thereof shall have been made pursuant to the 2013 Installment Sale Agreement as summarized under the caption "INSTALLMENT SALE AGREEMENT – DISCHARGE OF OBLIGATIONS" herein), the Local Agency will not discontinue or suspend any 2013 Installment Sale Payments or Administration Fee required to be paid by it under this section when due, whether or not the Project or any part thereof is complete, or its use is suspended, interfered with, reduced, curtailed or terminated in whole or in part, and such payments shall not be subject to reduction whether by offset or otherwise and shall not be conditional upon the performance or nonperformance by any party to any agreement for any cause whatsoever.

In order to carry out and effectuate the obligation of the Local Agency contained in the 2013 Installment Sale Agreement to pay the Purchase Price by paying the 2013 Installment Sale Payments and the Administration Fee, the Local Agency established the "City of Moreno Valley Pledged Tax Fund" (the "Pledged Tax Fund" and within the Pledged Tax Fund, the "Measure A Receipts Account," and if at some later date, Gas Tax Revenues are included as Revenues, the "Gas Tax Account"), which fund and accounts therein the Local Agency agrees and covenants to maintain so long as any 2013 Installment Sale Payments remain unpaid, and all money on deposit therein shall be applied and used only as provided herein. The Local Agency agrees and covenants that (i) all Gas Tax Revenues received by it shall be deposited when and as received in the Local Agency's Gas Tax Account and (ii) all Measure A Receipts received by it shall be deposited when and as received in the Measure A Receipts Account.

All of the Revenues and all money in the Pledged Tax Fund, exclusive of Gas Tax Revenues, and in the funds or accounts so specified and provided for in the 2013 Installment Sale Agreement, are irrevocably pledged to the punctual payment of the 2013 Installment Sale Payments and the Administration Fee, and the Revenues shall not be used for any other purpose while any of the 2013 Installment Sale Payments remain outstanding; subject to the provisions of the 2013 Installment Sale Agreement permitting application thereof for the purposes and on the terms and conditions set forth in the Agreement. This pledge shall constitute a first lien on the Revenues for the payment of the 2013 Installment Sale Payments and the Administration Fee in accordance with the terms thereof.

Notwithstanding the foregoing, the Local Agency may satisfy its obligation to deposit 2013 Installment Sale Payments with the Trustee by depositing Other Available Revenues with the Trustee, and if and when so deposited, shall be irrevocably pledged to the payment of 2013 Installment Sale Payments.

All Revenues on deposit in the Pledged Tax Fund shall be set aside and deposited by the Local Agency in the various funds and accounts within the Revenue Fund at the following times in the following order of priority:

(a) *Interest and Principal Fund Deposits.* On or before the 15th day preceding each Interest Payment Date, the Local Agency shall, from the Revenues in the Pledged Tax Fund, transfer to the Trustee for deposit in the Local Agency's Interest Payment Account in the Interest Fund within the Revenue Fund established under the Trust Agreement (the "Interest Payment Account"), a sum equal to the interest becoming due and payable under the Trust Agreement on the next succeeding Interest Payment Date, except that no such deposit need be made if the Trustee then holds money in the Interest Payment Account equal to the amount of interest becoming due and payable on the next succeeding Interest Payment Date; and on or before the 15th day preceding each Certificate Payment Date, the Local Agency shall, from the Revenues in the Pledged Tax Fund, transfer to the Trustee for deposit in the Principal Payment Account in the Principal Fund within the Revenue Fund established under the Trust Agreement (the "Principal Payment Account"), a sum equal to the principal becoming due and payable under the Agreement on the next succeeding 2013 Installment Sale Payment Date, except that no such deposit need be made if the Trustee then holds money in the Principal Payment Account equal to the amount of Principal becoming due and payable under

the Agreement on the next succeeding 2013 Installment Sale Payment Date; and all money on deposit in the Interest Payment Account and the Principal Payment Account shall be used to make and satisfy the 2013 Installment Sale Payments due on each date and such payments shall be deposited by the Trustee to the Interest Account or the Principal Account, as the case may be, as defined in, created under and in accordance with the terms of, the Trust Agreement.

(b) *Reserve Fund Deposit.* On or before the 15th day of each month, the Local Agency shall, from the Revenues in the Pledged Tax Fund, transfer to the Trustee for deposit in the Local Agency's Subaccount in the Reserve Fund (the "Reserve Subaccount") in the Reserve Fund within the Revenue Fund that sum, if any, necessary to restore the Reserve Subaccount to an amount equal to the Reserve Fund Requirement, all in accordance with and subject to the terms and conditions of the Trust Agreement as summarized under the caption "TRUST AGREEMENT – REVENUES – Establishment and Maintenance of Accounts for Use of Money in the Revenue Fund" herein. All money in the Reserve Subaccount shall be used and withdrawn by the Trustee for the purposes specified under such provisions of the Trust Agreement. The City further agrees to pay to the Insurer all amounts owed to it under the Insurance Agreement in connection with any draw on the Reserve Policy, solely from available Revenues and subject to the first pledge of and lien upon the Revenues for the payment of the Certificates.

(c) *Administration Fund Deposit.* On or before the 15th day preceding each Certificate Payment Date, the Local Agency shall, from the remaining Revenues on deposit in the Pledged Tax Fund, transfer to the Trustee for deposit in the Local Agency's Administration Subaccount in the Administration Fund within the Revenue Fund established under the Trust Agreement (the "Administration Subaccount"), a sum equal to the Administration Fee becoming due and payable under the Agreement on the next Certificate Payment Date, and all money on deposit in the Administration Subaccount shall be used to pay the Administration Fee due on such Certificate Payment Date, in accordance with the terms of the Trust Agreement.

Notwithstanding the foregoing, provided all transfers required by subparagraphs (b) and (c) above have been made, on any Business Day moneys on deposit in the Pledged Tax Fund in excess of the sum of (i) interest becoming due and payable hereunder on the next succeeding Interest Payment Date (less amounts then held by the Trustee in the Interest Payment Account) and (ii) the Pro Rata Share of Principal (less amounts then held by the Trustee in the Principal Payment Account) may be expended by the Local Agency at any time for any purpose permitted by law.

***Prepayment of 2013 Installment Sale Payments.*** The Local Agency may prepay from any source of available funds as a whole or in part on any date, on or after June 1, 2024, all or any part of the principal amount of the unpaid 2013 Installment Sale Payments becoming due on or after June 1, 2023, in such order of prepayment as the Local Agency may determine upon written direction to the Authority and the Trustee (or, if the Local Agency fails to designate the order of prepayment, on a proportionate basis among the 2013 Installment Sale Payments and by lot within an Installment Payment Date), at a prepayment price equal to the principal amount prepaid, plus accrued interest to the date of prepayment. Before making any prepayment pursuant to this section, the Local Agency shall give written notice to the Authority and the Trustee describing such event and specifying the date on which the prepayment will be paid and the order thereof, which date shall be not less than thirty (30) days nor more than sixty (60) days from the date such notice is given.

***Additional Contracts.*** So long as the Local Agency is not in default under the Agreement, the Local Agency may at any time execute any Contract the Installment Sale Payments under and pursuant to which, as the case may be, are payable from the Revenues on a parity with the payment by the Local Agency of the 2013 Installment Sale Payments as provided in the Agreement; provided, that the audited Revenues, less Policy Costs, for the Fiscal Year next preceding the date of the adoption by the governing body of the Local Agency of the resolution authorizing the execution of such Contract, as evidenced by both a calculation prepared by the Local Agency and a special report prepared by an Independent Certified Public Accountant on such calculation on file with the Local Agency shall have produced a sum equal to at least 150% of the Maximum Annual Debt Service on all Contracts outstanding after the execution of such amendment or Contract.

Notwithstanding the foregoing provisions, there shall be no limitations on the ability of the Local Agency to execute any Contract at any time to refund any outstanding Contract.

## REPRESENTATIONS AND COVENANTS OF THE LOCAL AGENCY AND THE AUTHORITY

***Authority; Compliance with 2013 Installment Sale Agreement and Trust Agreement.*** The Local Agency is a municipal corporation organized and existing under the Constitution of the State of California, with full legal right, power and authority to execute, deliver and perform its obligations under the 2013 Installment Sale Agreement, and compliance with the provision of the 2013 Installment Sale Agreement will not materially conflict with or constitute a material breach of or default under any applicable provision of law or any applicable regulation or agreement to which the Local Agency is a party or may be subject.

The Local Agency will punctually pay the 2013 Installment Sale Payments in strict conformity with the terms of the 2013 Installment Sale Agreement, and will faithfully observe and perform all the agreements, conditions, covenants and terms contained in the 2013 Installment Sale Agreement required to be observed and performed by it, and will not terminate the 2013 Installment Sale Agreement for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State of California or any political subdivision of either or any failure of the Authority to observe or perform any agreement, condition, covenant or term contained in the 2013 Installment Sale Agreement required to be observed and performed by it, whether express or implied, or any duty, liability or obligation arising out of or connected with the 2013 Installment Sale Agreement or the insolvency, or deemed insolvency, or bankruptcy or liquidation of the Authority or any *force majeure*, including Acts of God, tempest, storm, earthquake, war, rebellion, riot, civil disorder, acts of public enemies, blockade or embargo, strikes, industrial disputes, lockouts, lack of transportation facilities, fire, explosion, or acts or regulations of governmental authorities.

The Authority will faithfully observe and perform all the agreements, conditions, covenants and terms contained in the Trust Agreement required to be observed and performed by it, and it is expressly understood and agreed by and among the parties to the 2013 Installment Sale Agreement and the Trust Agreement that each of the agreements, conditions, covenants and terms contained in each such agreement is an essential and material term of the obligation of the Local Agency to repay the costs of the acquisition and construction of the Project and the costs and expenses incidental thereto paid by the Authority pursuant to, and in accordance with, and as authorized under law and the 2013 Installment Sale Agreement.

***Use of Proceeds of Certificates.*** The Authority and the Local Agency agree that the proceeds of the Certificates deposited in the Local Agency's Proceeds Subaccount of the Acquisition Fund will be used by the Local Agency, as agent for the Authority, to pay the costs of the acquisition and construction of the Project and to pay the incidental costs and expenses related thereto as provided in the 2013 Installment Sale Agreement and in the Trust Agreement.

***Against Encumbrances.*** The Local Agency will pay or cause to be paid when due all sums of money that may become due or purporting to be due for any labor, services, materials, supplies or equipment furnished, or alleged to have been furnished, to or for the Local Agency payable from the Revenues or which may impair the security for the 2013 Installment Sale Payments and will keep the Revenues free of any and all liens against any portion of the Revenues. In the event any such lien attaches to or is filed against any portion of the Revenues, the Local Agency will cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due, except that if the Local Agency desires to contest any such lien it may do so. If any such lien shall be reduced to final judgment and such judgment or any process as may be issued for the enforcement thereof is not promptly stayed, or if so stayed and such stay thereafter expires, the Local Agency will forthwith pay or cause to be paid and discharged such judgment. The Local Agency will, to the maximum extent permitted by law, indemnify and hold the Authority and the Trustee harmless from, and defend each of them against, any claim, demand, loss, damage, liability or expense (including attorneys' fees) as a result of any such lien or claim of lien against any portion of the Revenues.

The Local Agency may pledge, encumber or otherwise secure its obligations with the Revenues, provided, that except as permitted under the 2013 Installment Sale Agreement as summarized under the caption "INSTALLMENT SALE AGREEMENT – 2013 INSTALLMENT PAYMENTS; ADMINISTRATION FEE – Additional Contracts" herein, in all instances any such pledge, lien or security is wholly subordinate and junior to the obligations of the Local Agency contained in the 2013 Installment Sale Agreement.

***Maintenance of Revenues.*** The Local Agency will use its best efforts to comply with all provisions of law and any regulations issued thereunder relating to the Revenues, including, but not limited to, the Measure A Ordinance, Sections 2119 and 2151 through 2155 of the California Streets and Highways Code and Sections 65089.3 and 65089.4 of the California Government Code relating to conformance with the congestion management program relating to the Local Agency, and will take any and all reasonable actions required in order to maintain the Local Agency's ability to receive the Revenues and apply the same as provided in the 2013 Installment Sale Agreement; provided, that nothing in the 2013 Installment Sale Agreement shall require the Local Agency to take any action or expend any Local Agency funds to comply with any such requirements deemed unreasonable in the sole discretion of the Local Agency, so long as failure to take such action or expend such funds will not cause the amount of estimated Revenues to be received by the Local Agency in the next Fiscal Year to be less than 150% of the Maximum Annual Debt Service as of the date of calculation.

***Tax Covenants.*** The Local Agency will not directly or indirectly use or permit the use of the proceeds of the obligation provided in the 2013 Installment Sale Agreement or any other funds of the Local Agency or take or omit to take any action which would cause such obligation to be an "arbitrage bond" within the meaning of Section 148 of the Code, or a "federal-guaranteed obligation" under Section 149(b) of the Code, or a "private activity bond" as described in Section 141 of the Code. To that end, so long as any 2013 Installment Sale Payment are unpaid, the Local Agency will comply with all requirements of such sections of the Code to the extent applicable to the obligation provided in the 2013 Installment Sale Agreement and with the provisions of the Tax Certificate. Upon calculation by the Rebate Analyst of a Rebate Amount, the Local Agency shall, from any source of available funds, immediately transfer an amount of money equal to the Rebate Amount to the Trustee for deposit in the Rebate Fund established pursuant to the Trust Agreement.

The Authority and the Local Agency will at all times do and perform all acts and things permitted by law which are necessary or desirable in order to assure that the interest evidenced and represented by the Certificates will not be included in the gross income of the owners of such certificates for federal income tax purposes under the Code and will take no action that would result in such interest being so included.

***Prompt Acquisition and Construction of the Project.*** The Local Agency will take all necessary and appropriate steps to acquire and construct the Project, as agent of the Authority, with all practicable dispatch and in an expeditious manner and in conformity with law so as to complete the same as soon as possible.

***Accounting Records and Financial Statements.***

(a) The Local Agency will keep appropriate accounting records in which complete and correct entries shall be made of all transactions relating to the Revenues and the Project, which records shall be available for inspection by the Authority and the Trustee at reasonable hours and under reasonable conditions.

(b) The Local Agency will prepare and file with the Trustee annually within six months after the close of each Fiscal Year or, if not then available, as soon thereafter as possible, audited financial statements of the Local Agency for the preceding Fiscal Year.

***Continuing Disclosure.*** The Local Agency covenants and agrees that it will enter into and comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of the 2013 Installment Sale Agreement, failure of the Local Agency to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default under the 2013 Installment Sale Agreement; however, the Trustee shall at the written request of any Participating Underwriter (as defined in the Continuing Disclosure Agreement) or the Owner of at least 25% aggregate principal amount in Outstanding Certificates, or any Owner or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Local Agency to comply with its obligations under this section. For purposes of this section, "Beneficial Owner" means any person which has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Certificates (including persons holding Certificates through nominees, depositories or other intermediaries).

## **EVENTS OF DEFAULT AND REMEDIES**

***Events of Default and Acceleration of Principal.*** If one or more of the following “Events of Default” shall happen, that is to say --

(1) if default shall be made in the due and punctual payment of any 2013 Installment Sale Payment when and as the same shall become due and payable;

(2) if default shall be made by the Local Agency in the performance of any of the agreements or covenants contained in the 2013 Installment Sale Agreement required to be performed by it, and such default shall have continued for a period of 30 days after the Local Agency shall have been given notice in writing of such default by the Authority or the Trustee; or

(3) if the Local Agency shall file a petition or answer seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if a court of competent jurisdiction shall approve a petition filed with or without the consent of the Local Agency seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if under the provisions of any other law for the relief or aid of debtors any court of competent jurisdiction shall assume custody or control of the Local Agency or of the whole or any substantial part of its property;

then and in each and every such case during the continuance of such Event of Default specified in clause (1) above, the Trustee shall, and for any other such Event of Default the Trustee may, by notice in writing to the Local Agency, declare the entire principal amount of the unpaid 2013 Installment Sale Payments and the accrued interest thereon to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, anything contained in the 2013 Installment Sale Agreement to the contrary notwithstanding. This subsection is subject to the condition, however, that if at any time after the entire principal amount of the unpaid 2013 Installment Sale Payments and the accrued interest thereon shall have been so declared due and payable and before any judgment or decree for the payment of the money due shall have been obtained or entered the Local Agency shall deposit with the Trustee a sum sufficient to pay the unpaid principal amount of the 2013 Installment Sale Payments due and payable prior to such declaration and the accrued interest thereon, with interest on such overdue installments at the rate or rates applicable to such unpaid principal amounts of the 2013 Installment Sale Payments if paid in accordance with their terms, and the reasonable expenses of the Trustee, and any and all other defaults known to the Trustee (other than in the payment of the entire principal amount of the unpaid 2013 Installment Sale Payments and the accrued interest thereon due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then and in every such case the Trustee, by written notice to the Local Agency, may rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.

***Application of Revenues Upon Acceleration.*** All Revenues upon the date of the declaration of acceleration by the Trustee as provided in the 2013 Installment Sale Agreement as summarized under the caption “INSTALLMENT SALE AGREEMENT – EVENT OF DEFAULT AND REMEDIES – Events of Default and Acceleration of Principal” herein and all Gas Tax Revenues thereafter received shall be applied in the following order --

*First*, to the payment of the costs and expenses of the Trustee and the Authority, if any, in carrying out the provisions of the 2013 Installment Sale Agreement, including reasonable compensation to its agents, accountants and counsel and including any indemnification expenses;

*Second*, to the payment of the interest then due and payable on the entire principal amount of the unpaid 2013 Installment Sale Payments, and, if the amount available shall not be sufficient to pay in full all such interest then due and payable, then to the payment thereof ratably, according to the amounts due thereon without any discrimination or preference; and

*Third*, to the payment of the unpaid principal amount of the 2013 Installment Sale Payments which has become due and payable, whether on the original due date or upon acceleration, with interest on the overdue principal and interest amounts of the unpaid 2013 Installment Sale Payments at the rate or rates of interest then applicable to such 2013 Installment Sale Payments if paid in accordance with their terms, and, if the amount available shall not be sufficient to pay in full all the amounts due with respect to the 2013 Installment Sale Payments on any date, together with such interest, then to the payment thereof ratably, according to the principal amount due on such date, without any discrimination or preference.

***Other Remedies.*** The Trustee shall have the right --

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights against the Local Agency or any councilmember, officer or employee thereof, and to compel the Local Agency or any such councilmember, officer or employee to perform and carry out its or his duties under law and the agreements and covenants required to be performed by it or him contained in the 2013 Installment Sale Agreement;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Authority or the Trustee; or

(c) by suit in equity upon the happening of an Event of Default to require the Local Agency and its council members, officers and employees to account as the trustee of an express trust.

***Non-Waiver.*** No provision of the 2013 Installment Sale Agreement shall affect or impair the obligation of the Local Agency, which is absolute and unconditional, to pay the 2013 Installment Sale Payments from the Revenues to the Trustee at the respective due dates or upon prepayment, or shall affect or impair the right of the Trustee, which is also absolute and unconditional, to institute suit to enforce such payment by virtue of the contract embodied in the 2013 Installment Sale Agreement.

A waiver of any default or breach of duty or contract by the Trustee shall not affect any subsequent default or breach of duty or contract or impair any rights or remedies on any such subsequent default or breach of duty or contract. No delay or omission by the Trustee to exercise any right or remedy accruing upon any default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such default or breach of duty or contract or an acquiescence therein, and every right or remedy conferred upon the Trustee by law or by the Trust Agreement may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee.

If any action, proceeding or suit to enforce any right or exercise any remedy is abandoned or determined adversely to the Trustee, the Authority and the Local Agency and the Trustee shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

***Remedies Not Exclusive.*** No remedy in the 2013 Installment Sale Agreement conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given under the 2013 Installment Sale Agreement or now or hereafter existing in law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by law. The exercise of remedies under the 2013 Installment Sale Agreement shall be subject to the provisions of the Trust Agreement.

## **DISCHARGE OF OBLIGATIONS**

(a) If the Local Agency shall pay or cause to be paid all the 2013 Installment Sale Payments at the times and in the manner provided in the 2013 Installment Sale Agreement, and all amounts owed the Insurer shall have been paid in full, the right, title and interest of the Authority in the 2013 Installment Sale Agreement and the obligations of the Local Agency under the 2013 Installment Sale Agreement shall thereupon cease, terminate, become void and be completely discharged and satisfied.

(b) Any unpaid principal installment of the 2013 Installment Sale Payments shall on its payment date or date of prepayment be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this section if the Local Agency makes payment of such 2013 Installment Sale Payments and the prepayment premium, if applicable, in the manner provided in the 2013 Installment Sale Agreement.

(c) All or any portion of unpaid principal installments of the 2013 Installment Sale Payments shall, prior to their payment dates or dates of prepayment, be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this section if (i) notice is provided by the Local Agency to the Trustee as required by the Trust Agreement, (ii) there shall have been deposited with the Trustee either money in an amount which shall be sufficient, or Permitted Investments (as that term is defined in the Trust Agreement) of the type described in clause (1) of the definition of Permitted Investments and which are not subject to redemption prior to maturity (including any such Permitted Investments issued or held in book entry form on the books of the Treasury of the United States of America) or tax-exempt obligations of a state or a political subdivision thereof which have been defeased under irrevocable escrow instructions by the deposit of such money or Permitted Investments and which are then rated in the highest rating category by the Rating Agency, the interest on and principal of which when paid will provide money which, together with money, if any, deposited with the Trustee, shall be sufficient, in the opinion of an Independent Certified Public Accountant, to pay when due the interest to become due with respect to the principal installments of such 2013 Installment Sale Payments and the principal installments of such 2013 Installment Sale Payments or such portions thereof on and prior to their payment dates or their dates of prepayment, as the case may be, and the prepayment premiums, if any, applicable thereto and (iii) an opinion of nationally recognized bond counsel is filed with the Trustee to the effect that the action taken pursuant to this subsection will not cause the interest evidenced and represented by the Certificates to be includable in gross income under the Code for federal income tax purposes.

(d) After the payment of all 2013 Installment Sale Payments and prepayment premiums, if any, as provided in this section, and payment of all fees and expenses of the Trustee, the Trustee, upon request of the Local Agency, shall cause an accounting for such period or periods as may be requested by the Local Agency to be prepared and filed with the Local Agency and the Authority and shall execute and deliver to the Local Agency and the Authority all such instruments as may be necessary or desirable to evidence such total discharge and satisfaction of the 2013 Installment Sale Agreement, and the Trustee shall pay over and deliver to the Local Agency, as an overpayment of 2013 Installment Sale Payments, all such money or investments held by it pursuant to the 2013 Installment Sale Agreement other than such money and such investments as are required for the payment or prepayment of the 2013 Installment Sale Payments, which money and investments shall continue to be held uninvested by the Trustee in trust for the payment of the 2013 Installment Sale Payments and shall be applied by the Trustee pursuant to the Trust Agreement.

The obligation of the Local Agency to make the 2013 Installment Sale Payments is a special obligation of the Local Agency payable solely from the Revenues as provided in the 2013 Installment Sale Agreement, and does not constitute a debt of the Local Agency or of the State of California or of any political subdivision thereof within the meaning of any constitutional or statutory debt limitation or restriction.

***Benefits of 2013 Installment Sale Agreement.*** Nothing contained in the 2013 Installment Sale Agreement, expressed or implied, is intended to give to any person other than the Authority, the Local Agency or the Trustee any right, remedy or claim under or pursuant to the 2013 Installment Sale Agreement, and any agreement or covenant required in the 2013 Installment Sale Agreement to be performed by or on behalf of the Authority, the Local Agency or the Trustee shall be for the sole and exclusive benefit of the other parties.

## Property Tax Rates

In June of 1978, California voters approved Proposition 13 (the Jarvis-Gann Initiative), which added Article XIII A to the California Constitution (“Article XIII A”). Article XIII A limits *ad valorem* taxes on real property to 1% of the full cash value, plus taxes necessary to repay indebtedness approved by the voters prior to July 1, 1978. Voter-approved obligations that impact the residents of the City of Moreno Valley are comprised of debts incurred by Eastern Municipal Water District, Metropolitan Water District, Moreno Valley Unified School District, Nuview School District, Perris Union High School District, Riverside Community College District, San Jacinto Unified School District, and Val Verde Unified School District (collectively, the “City of Moreno Valley Voter-Approved Obligations”). ## Property Tax Levies, Collections, and Delinquencies

In Riverside County, property taxes on the secured roll are due in two installments, on November 1 and February 1. If unpaid, such taxes become delinquent on December 10 and April 10, respectively, and a 10% penalty attaches to any delinquent payment. In addition, property on the secured roll becomes tax delinquent on June 30. Such property may thereafter be prepaid by payment of the delinquent taxes plus the delinquency penalty, plus a prepayment penalty of one and one-half percent per month to the time of prepayment. If taxes remain unpaid for a period of five years or more, the property is subject to sale by the Riverside County Tax Collector.

In Riverside County, property taxes on the unsecured roll are due as of the January 1 lien date and become delinquent, if unpaid, on August 31. A 10% penalty attaches to delinquent taxes on property on the unsecured roll, and an additional penalty of one and one-half percent per month begins to accrue on November 1. The taxing authority has four ways of collecting unsecured personal property taxes: (1) a civil action against the taxpayer, (2) filing a certificate in the office of the Riverside County Clerk specifying certain facts in order to obtain a judgment lien on certain property of the taxpayer, (3) filing a certificate of delinquency for record in the Riverside County Recorder’s office in order to obtain a lien on certain property of the taxpayer, and (4) seizure and sale of personal property, improvements, or possessory interests belonging or assessed to the taxpayer.

Riverside County has adopted the Teeter Plan pursuant to Sections 4701 through 4717 of the California Revenue and Taxation Code (the “Teeter Plan”). The Teeter Plan permits counties to use a method of apportioning taxes whereby all local agencies, including cities, receive from such counties 100% of their respective share of the amount of secured ad valorem taxes levied, without regard to actual collections of the taxes levied. So long as the Teeter Plan is continued within Riverside County, the local agencies within Riverside County (including the City of Moreno Valley) are, in effect, guaranteed the full amount of their respective share of the amount of secured *ad valorem* property taxes levied.

**APPENDIX C**

**PROPOSED FORM OF SPECIAL COUNSEL OPINION**

*Upon execution and delivery of the Certificates, Orrick, Herrington & Sutcliffe LLP, Special Counsel to the Local Agency, proposes to render their final approving opinion with respect thereto in substantially the following form:*

[Date of Delivery]

City of Moreno Valley  
Moreno Valley, California

California Communities  
Local Measure A Sales Tax Revenue (Installment Sale) Certificates of Participation,  
Series 2013A (T.R.I.P. – Total Road Improvement Program)  
(Final Opinion)

Ladies and Gentlemen:

We have acted as special counsel to the City of Moreno Valley, California (the “Local Agency”) in connection with the execution and delivery of California Communities Local Measure A Sales Tax Revenue (Installment Sale) Certificates of Participation, Series 2013A (T.R.I.P. – Total Road Improvement Program), evidencing principal in the aggregate amount of \$20,000,000 (the “Certificates”). In such connection, we have reviewed the Installment Sale Agreement, dated as of August 1, 2013 (the “Installment Sale Agreement”), between the Local Agency and the California Statewide Communities Development Authority (the “Authority”), the Trust Agreement, dated as of August 1, 2013 (the “Trust Agreement”), among the Authority, the Local Agency and Wells Fargo Bank, National Association, as trustee (the “Trustee”), the Tax Certificate, dated the date hereof (the “Tax Certificate”), opinions of counsel to the Local Agency, the Authority, the Trustee and others, certificates of the Local Agency, the Authority, the Trustee and others, and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Installment Sale Agreement and the Trust Agreement.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions, including a default judgment rendered on March 21, 2012, by the Superior Court of the State of California for the County of Riverside in the action entitled *City of Moreno Valley v. All Persons Interested in the Matter, etc.*, Case No. RIC 1200952, and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. Our engagement with respect to the Certificates has concluded with their execution and delivery, and we disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Local Agency. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the first paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Installment Sale Agreement, the Trust Agreement and the Tax Certificate, including (without limitation) covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the

Installment Sale Payments evidenced by the Certificates to be included in gross income for federal income tax purposes.

In addition, we call attention to the fact that the rights and obligations under the Certificates, the Installment Sale Agreement, the Trust Agreement and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against public entities such as cities in the State of California. We express no opinion with respect to the enforceability of any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), arbitration, judicial reference, choice of law, choice of forum, choice of venue, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the real or personal property described in the Installment Sale Agreement or the accuracy or sufficiency of the description contained therein of any such property. Our services did not include financial or other non-legal advice. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Certificates and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Installment Sale Agreement and the Trust Agreement have been duly executed and delivered by, and constitute the valid and binding obligations of, the Local Agency.

2. The obligation of the Local Agency to pay the Installment Sale Payments, and the interest thereon, and other payments required to be made by it under the Installment Sale Agreement is a special obligation of said Local Agency payable, in the manner provided in the Installment Sale Agreement, solely from Revenues and other funds provided for in the Installment Sale Agreement lawfully available therefor.

3. Assuming due authorization, execution and delivery of the Trust Agreement and the Certificates by the Trustee, the Certificates are entitled to the benefits of the Trust Agreement.

4. Interest on the Installment Sale Payments paid by the Local Agency under the Installment Sale Agreement and received by the registered owners of the Certificates is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. Such interest is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although we observe that it is included in adjusted current earnings when calculating corporate alternative minimum taxable income. We express no opinion regarding other tax consequences related to the accrual or receipt of such interest or the ownership or disposition of the Certificates.

Faithfully yours,

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud) whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.
