

OPERATING A BUSINESS FROM YOUR HOME

HOW TO GET STARTED: Operating a business from your home is referred to as a Home Occupation. At City Hall, please check-in for the Planning Division at the Development Services Assistance Desk. You can obtain a Home Occupation Application package from the assistance desk. The Home Occupation permit process requires approval from Planning, Building & Safety, and Fire Prevention. Your business license will also be processed and paid for at the Cashier along with your Home occupation Permit. You will be asked several questions about the type of business you are conducting from your home in an effort to ensure that the business meets certain criteria and guidelines of the Moreno Valley Municipal Code section 9.02.130.

IMPORTANT: You will need to do the following before your applications can be processed with the City of Moreno Valley:

1. Obtain a **Seller's Permit**. (if applicable). A Resale Tax I.D. Number is necessary for you to report sales tax in the State of California. *You must show this document to the cashier at the time you are processing the business license application.*
2. **Fictitious Business Name:**
FILING: If you are NOT using your last name in the name of your business, you will need to apply and file for a "Fictitious Business Name" with the County of Riverside (Clerk & Recorder's Office). *You must show this document to the cashier at the time you are processing the business license application.*

PUBLISHING: You are required to publish the "Fictitious Business Name" with a newspaper of your choice. You must show the receipt you are provided by the newspaper as proof that you paid for publishing at the time you are processing this application. *You must show the receipt provided by the newspaper to the cashier as proof that you paid for publishing the fictitious business name at the time you are processing the business license application.*
3. **Written Consent Form:** If you are NOT the property owner, you will need to obtain the property owner's signature on the attached form granting you permission to operate your business on his/her property.
4. **Business License:** You must complete and process a business license with the City of Moreno Valley. *You will be required to pay a fee for processing your business license application. See *the Business License Division* for further details.
5. Complete a **Home Occupation** Application. *You will be required to pay a one-time fee for your submittal of this application. The fee and application will be valid as long as you operate the business from your current residence. If you change the location of this business to another residence in the City of Moreno Valley, you will be required to process a new Home Occupation Application and pay the fee again. Related businesses that may require a separate business license may not require a new Home Occupation permit. However, unrelated Home based businesses will require you to process a separate Home Occupation Application.

* Note: Moreno Valley Fees are based upon current adopted City of Moreno Valley Fee Resolution. City required fees include: Home Occupancy Permit fee and Business License fee.

12. Any outdoor storage of materials or supplies shall be located within an accessory structure or located on the vehicle that is used in conjunction with the home occupation, and shall be of the scale typically found in a residential neighborhood of similar density. Said storage shall not constitute a public nuisance as defined in the City of Moreno Valley Municipal Code.
13. The home occupation shall not generate pedestrian or vehicular traffic beyond that which is normal and incidental to a resident.
