RESEARCH REQUEST

Quasi-public information (i.e. reports, improvement and/or grading plans, etc.) is available. Recorded information (i.e. legal documents, maps, etc.) is available at the County Recorder’s Office.

To provide the most efficient and cost effective service, it is necessary that each request be made in writing. You will be notified when the material is available for review or pick-up. If the request is for a large amount of material that will require an extensive amount of time to prepare, you will also be notified. You must make arrangements with a local bonded blueprint company for any reproduction services. If you need to speak with a Land Development representative, please feel free to call 951-413-3120.
