W I N N E R S

1st Place—Viola Castelazo

They walk together arm-in-arm, keeping each other steady. It may take them a little longer to get there, but they still make it to the swings.

2nd Place—Edgar Aguilar

After a busy day, I like to rest in Celebration Park with the sunset.

3rd Place—Lucia Morfin

We love seeing our children develop sports fundamentals and being part of a team. Being outdoors and enjoying the beautiful scenery is a great feeling.

4th Place—Patricia Lash

It is my belief that community parks allow children to get the physical activities needed for growth. They also interact with peers and have opportunities to meet friends in the community. We appreciate our community parks.

5th Place—Kim Nelson

The Moreno Valley Equestrian Center makes my life better because, even though I live in a big city, I can keep practicing an equestrian lifestyle that includes mounted shooting events held there!

6th Place—Chizuru Chancy

Exercising the body and mind is needed for both dog and owner. Hound Town Dog Park offers the opportunity for both to exercise and have fun!!!

7th Place—Laysa Garcia

They enjoy the park so much! They are full of so much energy and can't wait to go back. I love how well the parks are taken care of.

8th Place— Ricardo Contreras

Let's play with friends, get outdoors and get fit.

9th Place— Tamara Martin

Parks make life better because they make a fun place to play.

Can Do.

Recycling gives new life to old materials. For example, the aluminum can you recycle today could be back on the shelf as a new can in 60 days. By doing your part, you can help save raw materials which also saves time, energy and expense.

Recycle Right:

- Recycle all bottles, cans and paper
- Keep items clean and dry
- No plastic bags
