SUMMARY

This report provides the First Quarter Financial Summary (Operating and CIP Budget Reviews), which updates the Mayor and City Council regarding current year financial trends through September 30, 2023. This report also requests the approval of certain FY 2023/24 revenue and expenditure budget amendments.

At the end of FY 2022/23, all unexpended appropriations lapse and revert to fund balance. Once the fiscal year-end closing process has identified the items that are encumbered by purchase order, contract, or other commitment at June 30th, these items may become a carryover budget pursuant to City Council Resolution 2023-24 adopted May 2, 2023. A copy of the Carryover Memo for FY 2022/23 has been included for transparency.

This item was noticed on the October 24, 2023 Finance Subcommittee agenda for review and discussion.

DISCUSSION

Based on a long-term practice of maintaining a structurally balanced budget and being identified as one of the most fiscally fit cities in the Country, on May 2, 2023, the City Council continued this trend and adopted the Two-Year Operating Budget for Fiscal Years 2023/24 – 2024/25, while adhering to those past practices. Additionally, as established after the last recession, the budget continues to fund and maintain separate reserves specifically established for periods of economic uncertainty or natural disasters. The budget included all component units of the City, including the General Fund, Community Services District, Housing Authority, Successor Agency, and the Moreno Valley Community Foundation. During the two-year budget period, the City Council will be updated of the City's financial condition through the process of Quarterly Budget Reviews. This ongoing process ensures a forum to review expenditure and revenue changes from the estimates made in the budget document. Additionally, any significant changes in projected revenue or unanticipated expenditures that may occur will be presented to the City Council.

This report provides the FY 2023/24 First Quarter Financial Summary for the first three months, July thru September. The First Quarter Financial Summary will focus primarily on the City's General Fund. This review will also present three-month operational results from other key funds.

The City Council's direction of "Maintain a Balanced General Fund Budget" serves as a foundation for the fiscal status of City operations. Ongoing funding is directed to sustain ongoing operational expenses; one-time funding is directed toward one-time expenditures. This report identifies the budget adjustments as recommended by the City Manager.

FISCAL YEAR 2023/24 FIRST QUARTER REVIEW:

This First Quarter Report updates the Mayor and City Council regarding current year financial trends and provides the opportunity for the City Council to review the recommended actions as they relate to revenues and expenditures.

General Fund Revenue Update

Revenue receipts do not follow an even schedule. Although 25% of the fiscal year has elapsed, based on historic trends revenues are estimated to be at approximately 11% of the budgeted amount. Actual revenues received are currently 11% of budget. As the FY 2023/24 revenue estimates were developed prior to the adoption of the budget on May 2, 2023, the revenue estimates may require adjustments based on the FY 2023/24 actuals and revised projections throughout the year. Although there will be variances in some of the amounts budgeted, the total is expected to remain within 1% of the amended budget for the year. It should be noted that the lag in timing of revenue receipts helps illustrate the need for an operating cash reserve throughout each fiscal year.

General Fund Expenditure Update

Although not all expenditures follow a straight-line spending pattern, operating expenditures should track close to within 25% of budget for the year at the end of the first three months. As of September 30, 2023, total General Fund expenditures were at 21%. This pace is within expectations for most activities in the General Fund.

FISCAL YEAR 2023/24 BUDGET ADJUSTMENTS

The FY 2023/24 General Fund revenue budget, as amended, totals approximately \$155.3 million. Based on economic activity and revenue collections through September 2023, staff is recommending a First Quarter budget increase of \$113,822 to approximately \$155.4 million.

The FY 2023/24 General Fund expenditures budget as currently amended totals approximately \$155.3 million. The recommended First Quarter budget amendments increase expenditures by \$113,822 to \$155.4 million. The fund continues to be structurally balanced, without the use of fund balance for ongoing operations. The specific budget adjustments for the General Fund are summarized in Exhibit A.

Fund	Type (Rev/Exp)	FY 2023/24 Amended Budget (1)	Proposed Adjustments	FY 2023/24 Amended Budget	Proposed Adjustments (%)
General Fund	Rev	\$155,288,586	\$113,822	\$155,402,408	<1%
General Fund	Exp	\$155,285,370	\$113,822	\$155,399,192	<1%
	Net Total	3,216	\$0	\$3,216	

(1) Includes FY 2022/23 carryover amounts.

Summaries of Other Major Funds

The following provides a summary of some of the proposed budget adjustments to other major funds. A complete list of all changes are identified in Exhibit A to the Resolutions.

Gas Tax (Fund 2000)

Budgeting for revenue received.

MVU (Fund 6010 & 6011)

Budgeting for projected expenditures.

ALTERNATIVES

1. Approve Recommended Actions as set forth in this staff report, including the approval of the budget adjustments, as presented in Exhibit A. The approval of these items will allow ongoing activities to be carried out in the current fiscal year and the City is able to modify budgets and operations as necessary through this quarterly review, while retaining a structurally balanced General Fund budget. Staff recommends this alternative.
2. Do not approve proposed Recommended Actions as set forth in this staff report, including the resolutions adopting the budget adjustments to the budget, as presented in Exhibit A. *Staff does not recommend this alternative.*

FISCAL IMPACT

The City's Operating and CIP Budgets provide the funding and expenditure plan for all funds. As such, they serve as the City's financial plan for the fiscal year. The fiscal impacts for the proposed budget amendments are identified in Exhibit A.

The City has currently received 0% through First Quarter. Property taxes will continue to be monitored as property valuations may adjust through the year based on property sales and assessment appeals filed with the County.

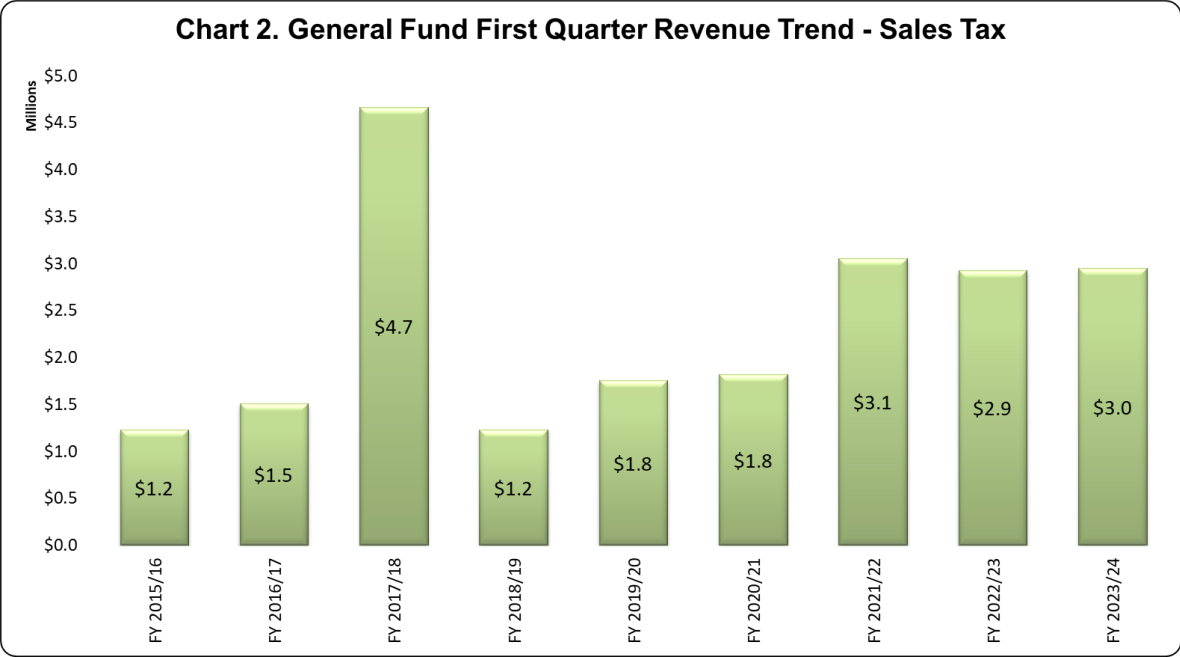

Note: In FYs 2015/16, 2016/17, and 2018/19 the City received a very small amount of property tax due to timing issues with the year-end annual accrual process.

Sales Taxes

Sales taxes were budgeted to increase by 2% as compared to the FY 2022/23 Amended Budget. Sales tax receipt trends will need to be continually monitored through the year for possible future budget adjustments.

Based on historical averages of actual receipts, the City is estimated to receive 20% of the budgeted utility users tax revenue through First Quarter. The City has currently received 22% through First Quarter.

Other Taxes

Other taxes are primarily composed of Business Gross Receipts, Transient Occupancy Tax, Documentary Transfer Tax, and Franchise Fees. Collectively, other taxes were budgeted to increase 16% from the FY 2022/23 Amended Budget.

Based on historical averages of actual receipts, the City is estimated to receive 23% of the budgeted Licenses & Permits revenue through First Quarter. The City has currently received 26% through First Quarter. The collection rate is related primarily to building and business license permit activities.

Charges for Services

Charges for Services are primarily composed of Plan Check Fees, Inspection Fees, Administrative Charges to other funds, and Parking Control Fines. Collectively, Charges for Services were conservatively budgeted to increase by 2.7% as compared to the FY 2022/23 Amended Budget.

Based on historical averages of actual receipts, the City is estimated to receive 25% of the budgeted Charges for Services revenue through First Quarter. The City has currently received 28% through First Quarter.

Use of Money and Property

Investment income continues to remain low due to extremely low rates of return for fixed income investments but has increased over the last year due to actions taken by the Federal Open Market Committee (FOMC). The investments achieved a Yield to Maturity (YTM) for September 2023 of 2.35%. In addition, the City maintained funds in the State Local Agency Investment Fund Pool (LAIF) with a YTM of 3.534%. LAIF is realizing considerable investment gains based on the increases to the Federal Funds target rate increase. FOMC is expected to keep rates higher thru 2023 with no reductions until 2024. The FOMC target rate is currently 5.25% to 5.50%.* Staff will continue to monitor closely to insure we maximize our investment income going forward.

General Fund Expenditures

Expenditures are being spent in-line with prior year expenditures. Each Department's activities will be monitored throughout the year as they may be impacted by different operational activities and project timelines.

OTHER KEY FUNDS

The following summaries describe other major funds in the City.

Moreno Valley Community Services District

The Moreno Valley Community Services District (CSD) was formed by the voters in 1984 to collect fees and certain taxes to provide an array of services including parks, recreation and community services, streetlights, landscaping and ongoing maintenance. The CSD provides these services through separate “zones” that define the services that are provided.

For certain zones, the primary revenue source used to provide services to properties is parcel fees or taxes levied on properties via their annual tax bill. Proposition 218, passed by California voters in November 1996, and has posed a serious challenge to managing the future operation of the CSD zones. Prop. 218 requires any revenue increase to be addressed through a voting process by affected property owners. For a period following the initial implementation of Prop. 218, the CSD was successful in receiving approval for some new or increased revenues. There were also revenue increases due to the growth of developed parcels within the zones.

Electric Utility

The Moreno Valley Utility (MVU) manages the operation, maintenance, and business planning of the City's electric utility. MVU's basic purpose is to purchase and distribute electricity to customers in newly developed areas of the City. The City began serving new customers in February 2004, and now serves more than 8,034 customers. As it reaches fiscal and operational maturity, MVU will continue to be a key component of the City's economic development strategy. The City Council has established special tiered rates for electric utility customers based upon factors such as the number of jobs created.

The main revenue source for this fund is derived from charges for services. The customer base includes residential, commercial, and industrial customers. The growth in customer base will continue to provide for the ability to create rate stabilization and replacement reserve funding.

SUMMARY

The City of Moreno Valley has experienced certain levels of growth and continued to maintain a structurally balanced Budget without the use of reserves.

The economic climate is ever changing and for these reasons the City must remain optimistically cautious and only increase revenues when they are received. Staff will continue to monitor and request quarterly revenue adjustments based on this approach. These revenue adjustments will be offset by replenishing our expenditure levels accordingly.

City of Moreno Valley Fiscal Year 2023/24 First Quarter CIP Budget Review

TO: Mayor and City Council
FROM: Launa Jimenez, Chief Financial Officer
DATE: November 7, 2023

INTRODUCTION

On June 6, 2023, the City Council adopted the Two-Year Capital Improvement Plan (CIP) for Fiscal Years (FY) 2023/24 – 2024/25. During the two-year CIP period, the City Council will be kept apprised of the City's CIP progress through the process of First Quarter, Mid-Year and Third Quarter Reviews. This ongoing process ensures a forum to look at the progress of existing projects and new projects that were approved during the quarter. Additionally, any significant changes in unanticipated expenditures or projected revenue that may occur will be shared with the City Council.

This report provides a review of various project highlights, budget to actuals, and changes/additions to the CIP at the First Quarter of FY 2023/24 (July 2023 – September 2023, 25% of the fiscal year).

SUMMARY

Population growth and private development increased the demand for street and traffic signal construction, new parks, expansion of public buildings, and new electric facilities to reliably serve existing and future customers. Aligning the City's capital budget with community needs will continue to be a challenge. However, the city has taken steps to expand funding that demonstrates its commitment to maintaining and enhancing capital needs. Capital planning represents an ongoing investment in the City's future to ensure the timely repair and replacement of aging infrastructure, and the implementation of priorities to meet the demands of our community. Staff will continue to pursue funding alternatives and identify priorities for Council's consideration to deliver projects that meet the needs of the city and the region.
