**Re: WLC Land Benefit Initiative**

Dear Ms. Halstead:

This firm represents the proponent of an initiative titled the "WLC Land Benefit Initiative" (the "Initiative"), which will be filed with your office tomorrow. That measure proposes to repeal Resolution No. 2015-29, enacted by the Board of Directors of the City of Moreno Valley Community Services District on August 19, 2015. Because it is a community services district initiative and not a municipal initiative, its submission is governed by Elections Code §§ 9300-9323.

I am writing to request, pursuant to Elections Code § 9303(b) that your office post the attached Notice of Intention to Circulate in the same locations as the City/District normally posts agendas, so that interested voters are fully apprised of the intended measure.

The name and address of the person who will be proposing this measure (the "proponent") are:

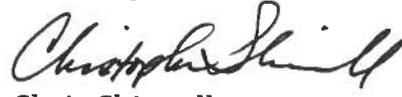

- Robert D. Harris  
10440 Canyon Vista Road  
Moreno Valley CA 92557  
Tel: 951-259-9460

A representative of our campaign will visit each of the three locations in question to view them so that he or she is able to prepare the necessary affidavit of posting.

### NOTICE OF INTENT TO CIRCULATE PETITION

Notice is hereby given by persons whose names appear hereon of their intention to circulate a petition within the territory of the City of Moreno Valley Community Services District for the purpose of repealing Resolution No. 2015-29, enacted by the Board of Directors of the City of Moreno Valley Community Services District on August 19, 2015. A statement of the reasons of the proposed action as contemplated in the petition is as follows:

This measure will help to facilitate the City's ability to obtain the many benefits which the World Logistics Center Project will bring to the City and its residents and as an affirmation of the City Council approval of the Project which is being challenged through lawsuits filed by those who would like to stop the Project for their own interests.
