NOTICE OF INTENT TO CIRCULATE PETITION

Notice is hereby given by persons whose names appear hereon of their intention to circulate a petition within the City of Moreno Valley for the purpose of enacting land use approvals for the World Logistics Center project. A statement of the reasons of the proposed action as contemplated in the petition is as follows:

The purpose of this Initiative is to protect and support the creation of job opportunities in Moreno Valley for the benefit of Moreno Valley and in support the City Council approval of the World Logistics Center projects.

The City's approval of the Project is being threatened with lawsuits by those who would like to prevent Moreno Valley from being competitive and therefore push the jobs and benefits to other cities by raising unproven environmental claims or stop the Project for their own interests and financial benefit to the detriment of Moreno Valley.

This initiative will allow the voters of Moreno Valley to reject the influence of these opponents and take control of the future of our city.
