#### Campus Wide Items:

**C8.** 21st Century Technology Upgrades - including teaching walls with interactive board and secured storage.

#### Options:

- O1.** New solar/energy conservation shade structure at parking lots.
- O2.** Sustainable Opportunity - Xeriscape Landscaping: slow-growing, drought tolerant plants to conserve water, reduce yard trimmings, pest control and fertilizers

#### Notes:

1. Consider Title IX - Equity of Sports Fields among schools, when Transforming this site.
2. Consider repurposing specialized classrooms (i.e. Wood Shop / Home Economics) that are no longer being used and turn them into standard classrooms.
3. Existing CTE facilities might require transformation to provide programs with latest available technology.
