Present Land Use/Zoning/General Plan Designation:

Various General Plan land use designations and zoning classifications in City and Sphere of Influence

Project Description: (please use a separate page if necessary)

In June 2021, the City Council of the City of Moreno Valley ("City Council") approved and adopted the City's 2040 General Plan Update ("2040 General Plan"), a Change of Zone and Municipal Code Update, and its Climate Action Plan ("CAP") and certified an EIR, State Clearinghouse No. 2020039022, as having been prepared in compliance with CEQA in connection with the approvals. A lawsuit entitled Sierra Club v. The City of Moreno Valley, Riverside Superior Court Case No. CVRI2103300, challenged the validity of the CAP and the EIR. In May 2024, the City Council set aside the 2021 approvals and certification, based on a March 2024 ruling and judgment of the court (the "Ruling"). A copy of the judgment, with the Ruling attached. The Project, known as MoVal 2040, consists of the re-adoption of the 2040 General Plan and the Change of Zone (including an update to the Zoning Atlas) and Municipal Code Update, and the revision and adoption of the CAP.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
