

Councilmember Cabrera is a proud father, husband, community leader, and small business owner. He was first elected in 2017, and re-elected in 2018, making him the youngest elected official in Moreno Valley history. He is the only candidate with extensive knowledge of city hall operations, strong partnerships across the state and country, and will work hard to secure important funding and resources for our community. Moreno Valley has been his home for 10 years, it's where he and his wife purchased their first home, and it's where their son was born. Ulises graduated Cum Laude from UC Riverside, earning a degree in Political Science: Law and Society. He also attended Moreno Valley College, and Valley View High School. During his two terms, Councilmember Cabrera voted to open two new libraries, invest over \$60 million to repave our roads, approve the 1 million square foot Kaiser hospital expansion, establish the Homeless to Work program, open the city's first teen center, fund millions in new public safety resources, and so much more. As Mayor, he will work tirelessly to create quality jobs, reduce homelessness, make our city safer, and invest in our children's future. For more information, please visit UlisesforMayor.com.
